Message from Julia Vincent, Headteacher

We were delighted to welcome so many parents to the school for our Open Evening. This was followed by some very busy tours on our Open Days.

Many parents reported positively regarding the school's progress, the culture and the positive nature of our students who were so proud to guide parents round to show off their school.

'Peter Pan' Production Update

The cast and crew of Peter Pan are working really hard to get the show prepared for opening night in December. The author of 'Peter Pan' left the official rights to the production to

raise money for Great Ormond Street Hospital, and through the production and school charity events we have raised £460 for Great Ormond Street Hospital!

All cast and crew should be referring to their rehearsal schedules for upcoming events in school.

Tickets will go on sale on Tuesday 21st November £5.50 for adults and £3 for children/concessions.

Tycoon in Schools Club

On Wednesday 27th September we saw the launch of Tycoon in Schools for Years 7 to 10. It's an enterprise competition where students design and run their own businesses. It was great to see representatives from every year group attend the launch and some amazing ideas were proposed. I'm looking forward to working with the students to create their business plans and see their ideas come to life!

Growing minds, successful futures

28 September 2017

Dear Parent/Carer

Parent Governor Vacancy

We currently have two vacancies for parent governors which we would like to fill as soon as possible.

One of the most significant ways you can help in promoting this aim is to volunteer to be a parent governor. The governing body's main tasks are to support the school through strategic leadership, ensure that pupils receive high quality education and plan for future development and improvement. You would be expected to attend six full governing body meetings per year and one committee meeting per term as well as becoming involved in the life of the school.

We feel sure that there are parents prepared to take on this important role and give their time and commitment to helping us to continue to improve the school's performance. There is first class advice and support available to you and training for your new role at no cost to you.

If you feel you are such a person, please download the application form from the school website or collect one from the school office. **The form will need to be completed and returned to the school by 12.00 noon on Monday 30 October.**

You might also like to look at the information for prospective governors on the Hampshire County Council website <http://www3.hants.gov.uk/education/governors/gov-volunteer.htm>.

Please note that for the protection of children all governor appointments are subject to a vetting process and identity check.

If there is more than one application, we will hold an election and all parents will be sent a voting paper.

We look forward to receiving your application.

Yours sincerely

**Julia Vincent
