School

Message from Julia Vincent, Headteacher

The school held its first Parents' Evening this week. The atmosphere was very positive with staff and parents exchanging progress updates on individual students and many of you were reporting that the term has started positively and how well your children are settling into the school year. We too are pleased, as the majority of our students are concentrating hard on their studies.

We are looking forward to the Year 11 Information Evening, which has been moved to Thursday 2nd November. Any parents of this year group who have any concerns at all regarding GCSEs, please come and talk informally to members of our staff.

Please make sure you take a little time to read the statements from the Federation Headteachers. The students are all aware of the content and an assembly was held on Monday relating to this. Thank you for your ongoing support on this matter.

Year 11 Information Evening

Year 11 Parents Information Evening is on Thursday 2nd November 2017 5:00pm-6:00pm. All departments will have at least one teacher available for parents to call in and discuss revision, exams and progress in lessons. Departments will offer websites, ideas and techniques to support students' revision in the lead up to their exams over the coming year.

Mr Whitlock, Head of Year 11

Gumshields for Sale in PE

We sell Junior Opro Gum Shields in PE which are recommended for rugby and hockey (but not compulsory). Rights Respecting Charter

As part of our journey to become a Level 1 Rights Respecting School with UNICEF, this week we are launching our Rights Respecting Charter. The Charter will be on display in all Tutor bases. It represents the work of all students during two of their Enrichment Day's last year and the steering group. It is a collation of school's ideas into these statements. Next week students will focus on

Articles 28 & 29. These articles are important to our school as they remind us of every child's right to an education which develops their potential to the full. Tutors will discuss with students how these two articles impact on their day-to-day actions across the school. If you have any questions regarding our journey to become a Rights Respecting School please do not hesitate to contact me via email on j.fletcher@warblinton.hants.sch.uk

Get Inspired Southampton

The O2 Guildhall, Southampton

SATURDAY 14TH OCTOBER 2017

10am-3pm FREE ENTRY

COME ALONG AND GET INSPIRED!

We are delighted to announce the Get Inspired Southampton will return to O2 Guildhall Southampton on Saturday 14th October 2017. The event is aimed at young people and their families. We want students – their parents and even grandparents – to get a real understanding of the broad and exciting career paths that the diverse businesses in and around our City have to offer. We will inspire the students and their families about local firms, employment, future career choices and opportunities.

It will be an interactive day that inspires people to consider areas of work they may never have thought of, and which helps them to understand how they might get there.
