Issue 133: Friday 15th December 2017

## Message from Julia Vincent, Headteacher

Today, the students have been involved in Enrichment Day with many external speakers in the school. The focus has been "Living in the Wider World", please take the opportunity this weekend to discuss some of the activities that your child has taken part in.

It is the whole school Christmas lunch on Wednesday 20th December. The cost of the lunch is £2.50 payable via our cashless system. I would like as many students as possible to take part and would like to draw your attention to the fact that it will be the only hot food available other than sandwiches and fruit. It is excellent value and I know that many students are looking forward to sitting down in the hall to their first roast turkey of the year. If your child hasn't already indicated that they would like a Christmas Dinner, please encourage them to let their tutor know on Monday.

In order to save school funds, our termly WOW magazine will be available to view on the internet. There will be a small quantity of hard copies available from Reception if you wish to pick one up.

## Girls Football UV Party!

On Friday 10th December a group 36 girls took part in a UV football event. This was a first for all of the girls and they all thoroughly enjoyed themselves! Their attitude and enthusiasm was exemplary and we look forward to hosting another one in the new year!

## Mission Christmas

Thank you to everyone who has supported our community project for Cash4Kids 'Mission Christmas' by donating Christmas presents and taking part in school with our charity activities. Today, after a successful week, we have had our final charity event; Non-School Uniform Day. We will collect our final charity donations on Monday and will take the 'Mission Christmas' presents to a collection point this weekend. A huge thank you from myself and all the year 9 students to everyone who has supported our community project!

9B, 9C and 9E have been busy working hard and organising events in school such as; Cake Sale, Sweet Shop and Christmas Cinema. Students have worked hard to promote our charity and worked well together to create successful events.

9A & 9D have been busy focussing on giving back to the local community, with 9A organising over 600 Christmas cards we can hand out in the community, and 9D have been entertaining the children at Warblington Pre-School with a Christmas Party!

On Thursday 14th December, 6 students from 9D organised a Christmas Party for Warblington Community Pre-School. The students arranged three games for the pre-school children to participate in. First of all it was past the parcel with gold chocolate coins for all. Then pin the carrot on the snowman, with a special praise to Leon Druvai for organising and assisting the infants with this task. Then finally Christmas musical statues with some great dancing from 9D students and the pre-schoolers. The time flew by so quickly and everyone involved really enjoyed it. The 9D students represented the school so well and they should be very proud of themselves for the organisation and conduct towards this community project.

**Miss Jordan, 9D Tutor**

On Wednesday 13th December myself and 15 year 9 GCSE Music students went out in the community to do some carol singing. Firstly we went to Springfield Nursing Home, the students sang a variety of Christmas songs for the residents and got to share hot chocolate and mince pies afterwards. We then went to the Meridian Centre where the students sang for 30 minutes to a group of parents, friends and shoppers. We were allowed to collect money for 'Mission Christmas' and at the end of our performance the students had managed to raise £47.74, so we were very grateful to our audience for their kind donations! Overall the students behaved fantastically and did a wonderful job of representing the school in the community, they should be very proud of both their singing and attitude for the event!

Maybe life isn't about avoiding the bruises. Maybe it's about collecting the scars to prove we showed up for it.
