Issue 138: Friday 2nd February 2018

Message from Julia Vincent, Headteacher

I have noticed that the standard of some of our students' uniform has slipped recently. Therefore the school will be conducting a uniform check on Monday. Students have been informed of this and the expectation is that they will be in proper school uniform from Monday. Please ensure that your child's shoes are entirely black, that they are wearing blazers, they have a tie and that they are wearing school trousers and not leggings or jeans.

Next week is Safer Internet Day and I will be leading an assembly on Monday. I would be grateful if you could take the opportunity to speak with your child about their safe use of the internet. The theme of the day is "A safer internet starts with you".

Year 10 Boys Football Tournament

On Monday 29th January the Year 10 boys football team competed against The Hayling College, Park Community School and Crookhorn College in the second to last football tournament of this half term hosted here at Warblington School.

The boys made a strong start, winning the first game of the tournament against Hayling and going on to beat both Park and Crookhorn. There were a number of standout performances and moments from the players, none more so than the long range strikes from Fred Collins and great saves from Freddie Mason. The entire squad played their part in what is the fourth year group to win their area football tournament this year.

Year 10 Team: Freddie Mason, Rynell Thomas, Jake Price, Alfie Taw, Shaun Adams, Billy Prowting, Harley Howard, Callum Partridge, Alfie Quick, Fred Collins, Tobie Appleby, Alfie Bolesworth, George Adams, Dan Langley.

Mr Chaplin, PE

Article 24 Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer countries must help poorer countries achieve this.

New Lighting

As part of Hampshire County Council's continuing investment in the school, we have recently had new LED lighting fitted to 20 classrooms, various offices and corridors in the main building to improve the classroom and office habitability. As well giving much improved light qualities and colour temperature in the learning environment this will also give savings to the school budget and reduce our carbon footprint.
