Weekly Newsletter

Issue 139: Friday 9th February 2018

Message from Julia Vincent, Headteacher

Please read Mrs Fletcher's newsletter article on Enrichment Day, which focussed on aspects of safeguarding and keeping children safe on line. I would encourage all parents to listen to a very informative webinar on our website, led by a parent whose child was a tragic victim of social media exploitation. May I also draw your attention to the message from Hampshire Constabulary regarding social media.

Year 10 have been very busy this week with the Havant Careers Fair and involvement in our Job Interview Day. Grateful thanks to members of our local business community for interviewing students.

Key Dates for the Spring Term: Week B

Monday 19th February	Start of Year 11 Walking Talking Mocks
Wednesday 21st February	Year 8 Options and Parents Evening 4:00pm-7:30pm

Dates for Your Diary

Monday 26th February	Start of Year 11 PPEs
Tuesday 27th February	Rock Challenge

No limits for Ex-Student Sam Roonan - winning 3 gold medals for Team GB in the World Transplant Games in Switzerland.

Team GB who have all had either heart, lungs, kidney, pancreas, bone marrow or liver transplants, competed in a variety of alpine sports and curling. Out of the 25 teams competing from around the world, Team GB was the largest with 14 competitors, 3 of these are live donors who competed in the donor ski race.

'When Sam was 8 he went on the lung transplant list and was fortunate enough to get his transplant within 5 years. He's now in a position where he has a pretty normal life, health wise he's doing great and was able to do a lot of really great skiing in the games. The games are boosting in a lot of ways, but it's also a recognition of the transplant system and organ donation so it's really revitalising.'

'It was an amazing experience to take part in the games and great to meet people in the same position as you and show how far they and you have come following an organ transplant! When I was on the transplant waiting list even walking with the aid of oxygen was difficult, but I was one of the lucky ones that managed to get a lung transplant operation. I really hope that my achievement at the Winter Games will help people talk about the benefits of transplantation and organ donation. More than 6,000 people in the UK are currently waiting for a transplant and sadly, three people die waiting every day.'

Congratulations from everyone at Warblington School!

Average Attendance Figures for Week Ending 2nd February 2018

Year Group	Total %
Year 7	95.9
Year 8	94.0
Year 9	91.9
Year 10	93.5
Year 11	93.2
The Government Target is 95%	
Warblington Attendance for this year is 93.60%.

Article 24 Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer

On Wednesday, our students in Years 7 to 10 took part in our third Enrichment Day which focused on their "Safeguarding". The day enabled us to address several of our UNICEF articles such as **Article 3:** All organisations concerned with children should work towards what is best for the child; **Article 6:** All children have the right to life. Governments should ensure that children survive and develop healthily; **Article 29:** Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights; **Article 33:** The Government should provide ways of protecting children from dangerous drugs; **Article 34:** The Government should protect children from sexual abuse and **Article 36:** Children should be protected from any activities that could harm their development.

Students focused on six key areas – Social Behaviours; Healthy Lifestyles, Healthy Relationships, E-Safety and Healthy Minds and address topics such as puberty, sexting, staying safe on-line, cyber bullying, anti-social behaviour, what makes a healthy relationship, drugs, contraception, knife and gang crime and mental health.

The students enjoyed the sessions and made the following comments:

Year 7

"Choose words carefully online."

"People always track what you say online."

Year 8

"We learnt proper CPR and we are able to know what to do in a situation."

"We thought about how to recognise a healthy and unhealthy relationship."

"We found out that under influence of alcohol or drugs, you can't give consent."

Year 9

"Really informative about depression."

"Knives are as dangerous as guns."

Year 10

"We learnt what a healthy relationship is."

"We enjoyed this enrichment day more than we have the rest."

"It was more informative and enjoyable."

"We learnt about the laws around drugs and sex."

Mrs Fletcher, Assistant Headteacher

Year 8 Football Tournament

The Year 8 team were winners of the local district tournament held at Warblington School this week. The boys will now compete in the final which will be held at the Petersfield Town Football Club. This is a great achievement for not only Year 8, but the whole school, as the boys become the 5th year group to qualify for their finals!

Jamie Davage, Brandon Hayter, Harry Allen, George Dixon, Albie Russell, Ethan Prior, Kye Bramble, Adam Allman, Vernon Hallawell, Charlie Stokes, Jack Henderson, Mason Lloyd and Harry Stone

Mrs Griffen, PE

Students of the Week

- 7A - Alfie Phillips & Oliver Rumsey
- 7B - Zara Ahddoud & Ewald Keyser
- 7C - Megan Erridge & Archie Healy
- 7D - Lily Saunders & Drew Macgill
- 7E - Alicia Evil & Ethan Reen

- 8B - Vernon Hallawell & Mason Lloyd
- 8D - Lara Rushmere & Megan Evans

- 9A - Ellie Robinson & Mada Musawi
- 9B - Ellie Green & TomWells
- 9C - Tamar Dixon & Callum Benfield
- 9D - Ethan Kiers & Charlie Groves
- 9E - Mackenzie Moore & Paris-Leigh Perkins

Well Done!

Year 11 February Half Term Revision Timetable

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY

WTMs - Monday 19th February to Friday 23rd February

PPEs - Monday 26th February to Friday 9th March

Revise!

MESSAGE FROM HAMPSHIRE CONSTABULARY

Hampshire Constabulary will carry out thorough investigations into matters of children sharing explicit videos or photos of another child on social media, and will speak to anyone who has a connection with these incidents.

The advice from the police remains the same; if a child or young person receives an inappropriate image or video on any social media platform, be it Snapchat, Instagram, WhatsApp or any other channel, they should delete it immediately and tell a trusted adult, for example a teacher or parent.

It is really important that they understand that if they show an indecent image or video to someone else or forward it on to other people, they could be committing a crime and we want to stop that happening. We have been clear that we do not want to criminalise children and that they will not be in trouble if they have made a genuine mistake.

Sadly, we are seeing more offences where children and young people are being targeted by offenders who conceal their identities, and know where to go online to access and initiate false friendships with children. Unfortunately, no-one is immune to the dangers and so it is vital we support children and young people in knowing how to keep themselves safe on-line and to minimise risk. Please discuss this with your children and encourage them to talk to you or another trusted adult if they have any worries or concerns. They can also call ChildLine if they really don't feel comfortable talking to someone face-to-face.

If you have any concerns about the safety of your children online or would like to know more, there is further support and advice for children and parents available on the CEOP website <http://www.thinkuknow.co.uk/>
