Warblington
School

Message from Julia Vincent, Headteacher

We have just had our assessor visit for our Rights, Respecting Silver Award from Unicef and once we are told of the outcome, we will let you know.

I am pleased to report that the dining area has now been completely refurbished. The area has been repainted, has new furniture and new flooring and is looking very spic and span. With the front of the school nearing completion with the re-clad, the new windows make it a light, bright and airy space.

Year 7 'Step Up to Books' - Project run with Portsmouth University

For ten weeks, I and nine other students were involved in 'Step up to Books' - this was a really fun experience. The part I enjoyed the most was the drama session, I found this fun as everyone was really good at acting and was having a good time. Thank you so much to Portsmouth University for giving us the experience, also to Mrs Wilson for taking us on these trips and coming every Friday to read with us.

Amber Hayward Yr7

I am so very proud of the ten Year 7 students that have been taking part in this project, they have attended every week (giving up their lunch time) and on both occasions we visited the university for workshops, they were mature and amazing ambassadors for the school. The project is almost at an end now and they have taken their favourite parts from the book and turned it into a short movie scene which will be presented to parents, students and staff at a celebration event soon. Well done to Kinsie, Dimitar, Millie, Harry, Drew, Luke, Sophie, Alicia, Tyler and Amber - there are moments from this project that I will always remember!!

Riding your Bike Safely

Can parents ensure that if their child rides a bike to and from school, that they fully understand the rules of the road and must not ride on the pavement. Some of our local residents have been shaken by the reckless behaviour by a minority of our students when cycling home. We would appreciate parental support, particularly from students taking the cycle path home and then failing to slow down when coming out into the new estate and also around the Bellair Road area.

Queues For Army Sign Up!

Britain's overplanning with soon to be Victoria's soldiers

Brave, ambitious young men signing up to fight one by one, at your local shops. Right now men are signing up to fight for their country by ~~and~~ simply writing down their name.

Only six months ago we were very close to using Conscription bills, but now we have got plenty of courageous men ~~are~~ now signing up, but a few more would not hurt. Do you want to become a hero?

Men are signing up to make their wives and their country proud. The muddy no man's land is soon to be owned by our victorious soldiers.

Sandra, who lives in the town centre, is sharing her pride with us, as she tells us about her son Barry. "I'm so proud and thrilled to hear he's doing fine! It just fills me with joy to know that he's doing his very best to serve for our country." She quoted.

If you ^{have} always dreamed of being a hero and getting all the ladies, now is your to show your bravery, feel proud of yourself, and join our successful army on our way to Victory! Get the Jeremies down on their knees, and our Prime Minister, Lord Asquith in credibly proud. Join today and go down in history as a hero that led us to our Victory!

CRUSHING DEFEAT FOR GERMANS

ZERO TO HERO?

Last night the
pm Lloyd George
announced the
news that the
latest offensive
against the
vile invaders
in Europe
has proven
successful
because of
young man
Robert Bomba
who went
over the top
when he was
clearly said
to stay and
shoot but
he ran at
the Germans
with 9 bombs
and threw
them at
them and
jumped and
debated
them and

sadly he went
out with but
at least he
did it for his
country.

6 months
ago we
were held
back by the
biggest storm
ever in France.

In a statement
this morning
the prime minister
said "The enemy
is on his knees"
Now more
than ever before
is the time to
sign up and do
your duty
without the
courage and
commitment
of these
heroes to keep
overlooked

and says we would
not have made the
progress we have
in the past few
months. Last week
we reported on the
many benefits of
military service,
and the difference
it makes to the war
effort when a
man does his duty.
