## Issue 147: Friday 4th May 2018

### Message from Julia Vincent, Headteacher

We are delighted to have received our Rights Respecting Silver Award following two years of hard work. We are delighted with the comments the Inspector made about the school which you can read about below.

Modern Foreign Languages GCSE exams have started this week for our Year 11 students. It is an appropriate time to remind all parents that their children will be involved in end of year exams. For students in Year 9 and 10 these will take the form of Walking Talking Mocks and Pre-Public examinations. Next week Year 7 and 8 will take their end of year exams and wherever possible these will be held in an examination environment to give students as much practice as possible.

You will be aware that Ofsted are currently inspecting our school and I hope to be able to report the outcome to you once the report has been received. I wish you all a happy bank holiday weekend.

SILVER – RIGHTS AWARE

### Rights Respecting Silver Award

Warblington School is delighted to inform you that following our assessment visit on Friday 20th April 2018 we have met the standard for UNICEF UK Rights Respecting Award at Silver. Level 1 Silver is an important milestone on the rights respecting journey and is a tremendous achievement for us. We are now one of three secondary schools in Hampshire with a Silver Award and one of 5 secondary schools in Hampshire with a Silver or Gold award.

The full report can be read on our website however the highlights of the visit are below:-

- \* Warblington is a 'highly inclusive school' which seeks to support each pupil in achieving their full potential.
- \* School leaders are fully committed to the principles and values of the UN Convention on the Rights of the Child (CRC).
- \* Respect is an integral element of the school's ethos and forms part of the school's 'PRIDE' values (personal excellence, respect & friendship, inspiration, determination & courage and equality).
- \* The school supports individual pupils in a variety of ways including through nurture programmes and a pastoral system.
- \* Pupils were able to give examples of several rights they hold and they were clear that rights are inherent, universal and unconditional.
- \* A positive and supportive learning environment was evident throughout the assessment visit.
- \* Pupils listened carefully to the contribution of their peers.
- \* Pupils said they felt safe at school.
- \* The school makes good use of pupil leadership opportunities within the school include prefect and student ambassador roles.
- \* Pupils' awareness of the wider world is promoted through support of particular charities.
- \* Pupil views are listened to and taken seriously.
- \* The school's 'personal development learning' programme helps supports pupils in having an informed knowledge and understanding of their health and well-being. Similarly, 'careers information, advice & guidance' provision is also made.

We are already making plans to develop our journey and are now using the Gold standards to measure our progress by. The first part of this will be to embed the school charter, based on our eight main rights, into the culture of the school. This will be a feature of our enrichment day later on this month. **Mrs Fletcher, Assistant Head Teacher**

## Portsmouth FC Girls Football Event

On Friday 27th April, 13 Year 7 and 8 students participated in a girls football event at ROKO run by Portsmouth FC where they completed a variety of competitive activities to develop their confidence and enthusiasm for football. Despite the poor weather students were engaged throughout and represented the school well.

**Article 24** Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer countries must help poorer countries achieve this.
