## Issue 148: Friday 11th May 2018

Warblington  
School

### Message from Julia Vincent, Headteacher

We have just had the last assembly with our Year 11s and would like to wish them good luck for the next few weeks. Our Year 10s are preparing to go on work experience next week. The experience is usually very valuable in helping young people in their

understanding of the world of work.

I was delighted at the effort and attitude of the student's non-uniform day last Friday which raised £639.72 in aid of Help for Heroes.

Well done!

### Key Dates for the Summer: Week B

Monday 14th May	Start of the GCSE Exams
Monday 14th May	Year 10 Work Experience Week 1
Tuesday 15th May	Enrichment Day

### Dates for Your Diary

Monday 21st May	Year 10 Work Experience Week 2
-----------------	-----------------------------------

### Year 10 Community Project

We raised £639.72 for Help for Heroes last week! Well done and thank you to everyone who took part!

### Women's FA Cup Final

On Saturday 5th May a group of 26 pupils travelled to Wembley to watch the biggest Women's FA Cup final to date. All pupils behaved impeccably well and were a credit to the school.

The girls saw a high quality game with the opportunity to see some of their role models. The game finished 3-1 to Chelsea with a thrilling second half! We look forward to running the trip again next year and aim to make it even bigger with a coach.

Mrs Griffin, PE

### The Reading Room

The Reading Room will be closed next week, Monday 14th May - Friday 18th May due to essential collation and re-organisation of the books. Hopefully it will be back open the following week but we will keep you updated.

Apologies for the inconvenience caused to students. **Mrs Brown, English**

## Health Visiting, School Nursing & Development Therapies Help Shape The Future of These Services

Hampshire County Council Public Health is working with local NHS organisations to redesign the way some health services for children, young people and their families are delivered across Hampshire. We would like to understand how existing services could be improved by bringing services together and making them easier to access.

Through our short survey, we want to hear from schools as well as parents/carers and young people across Hampshire, and gather their views on the following health services in Hampshire:

- Health Visiting Service
- School Nursing Service (not including special school nursing)
- NHS Community Therapy Services in Hampshire (i.e. speech and language, physiotherapy and occupational therapy)

We would be grateful if you could take time to complete the survey in the link below. The survey will be open until midnight on Tuesday 22 May 2018 and can be accessed via this link:

<https://www.hants.gov.uk/aboutthecouncil/haveyoursay/consultations/childrenshealthservices>

This survey will be part of a number of ways in which we hope to collect feedback from the public and health practitioners. The findings from the surveys and other accompanying engagement opportunities will help to inform decisions to be taken later in the year about future service delivery for Public Health Nursing and NHS Community Therapies in Hampshire.

### Parent Mail

We are in the process of changing the online system we use for topping up student lunch accounts and making online payments. We are moving to the online provider, Parent Mail.

Next week you will receive a text/email with information on how to register for Parent Mail. Please keep an eye out for this email and register when prompted so when the online service goes live on Tuesday 22nd May, you will still be able to top up your child's lunch account and make payments with ease.

Thank you for your co-operation while we change over to the new provider and if you have any problems, please contact the school as you normally would.

**Article 24** Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer counties must help poorer countries achieve this.

# VACANCY

## SITE ASSISTANT

WARBLINGTON  
SCHOOL

**Salary: Grade C**  
**Contract: Permanent**  
**37 Hours per week, full time**  
**Annual Salary: £17,224 (plus 14% shift allowance)**  
**Required immediately**

Warblington School has a vacancy for an energetic, enthusiastic and physically fit Site Assistant to join the site team and work in harmony with other colleagues to undertake actions that ensure high levels of maintenance and tidiness are visible around our large site.

Helping to maintain a secure and safe environment is vital and the successful candidate will be on the overnight key holder's register and may be required to attend the site in the event of a call out. Specific trade strengths in any area would be an advantage but not essential. Lifting, moving and handling of furniture and deliveries also form an important part of the job.

A patient and flexible approach to the job and its challenges are key requirements as no two days in a secondary school are the same and you never know what you and the site team will be needed to do next to help maintain the smooth running of the whole school community. Shift working 2/3 person covering early/late and Saturday work.

The school is committed to safeguarding children and promoting the welfare of young people and expects all staff and volunteers to share this commitment.

For further details and an application form, please visit the school website.

**Please note that we do not accept CV applications.**
