Message from Julia Vincent, Headteacher

Our Year 10s this week have started their Walking Talking Mocks, which run into the first round of PPEs. The Year 10s have also visited South Downs and Havant College to start the process of transition at 16+.

Some of our younger students are today joining with 'Fit Fest' where they are learning about a whole range of strategies to keep themselves safe.

Finally some of our Year 11s are on a Reward Trip to Thorpe Park prior to leaving us next week. I am sure, like me, you will wish them well.

Football Achievement

Jamie Davage 8E was involved in a fantastic sporting achievement last weekend.

He plays football for Fleur de Lys Victory and their U14 team took part in the ACES National tournament in Nottingham. This is an invitation only tournament for the top teams across the entire country and Fleurs de Llys were invited to represent Portsmouth, and they won! 44 Portsmouth teams have taken part in the tournament over its 10 year history and they are the first Portsmouth team to come away champions.

On the day they were up against 18 unbeaten teams this season and 14 who had also won the treble so to have won is a massive achievement and technically they are classed as the best U14 club team in the country! They have had great success this season as a team as they were unbeaten and have won the Portsmouth A league, won the Portsmouth Cup and were also runners up in the Hampshire Cup (sadly just missing out on the treble with a 2-3 defeat).

As a school we are incredibly proud of Jamie and his achievements!

Rounders

The U14 and U15 Rounders team participated in a local district competition this week. Both teams represented the school impeccably well with some great bowling, catching and fielding by all.

Havant and Southdowns College Taster Day

On Wednesday 20th June, Year 10 went on a college taster day to Havant and South Downs College and attended either the Havant or South Downs Campus. The day was designed for students to see how the college lifestyle is compared to what we are used to at school.

I attended the Southdowns Campus. We started our day at 9:00am in the canteen and had a brief talk about the day and then we were given a tour of the college. Then we went into lessons. I had a taster of an ICT which I enjoyed and I was surprised to find out that I already knew a lot of the answers to the questions we were being asked and I was able to help my friends. After our lessons, which were broken up by breaks and lunch, it was time to go home.

One of the things we had to think about is whether we would like to go to college or do an apprenticeship when we leave school. Personally I found the taster day very interesting because it made me think about what I want to do in my future.
