Growing minds, successful futures

11 September 2018

Dear Parent/Carer

Firstly, many thanks for your continued support of the school and its policies. We feel consistency is a critical thing to try and achieve for all of our students. We have begun the year by reinforcing the uniform policy that was sent out by the previous Headteacher on the 18th July, to enable you to prepare for the new academic year over the summer. The intention of sending that letter was to avoid unnecessary confrontations at the start of term with students returning to school in September not dressed in accordance with school uniform policy. I would like to thank you for your support in this.

Following a check by heads of year and the senior team, unfortunately there are some students for whom their uniform still does not comply with the current requirements (which we have sent with this letter). As a result, from Monday 17th September any student who is not correctly attired for lessons will not be allowed to attend lessons until the issue has been fully resolved. Again, I should stress that this is absolutely the last thing we want as a school as we all place great emphasis on good attendance to school and to lessons.

If there are reasons for your child to not be correctly dressed for school, please contact your child's tutor as soon as possible so that we are in a position to help and support you in this matter.

We are very proud of our school and of our students and believe that high standards of uniform, behaviour, being properly equipped and attending regularly give each and every one of our students the very best chance of learning well and achieving their very best. Thank you all very much in advance of your anticipated support and understanding.

I would like to reassure you that students wearing their school uniform with pride is something that will remain a focus as we ensure everyone meets the high expectations we expect at Warblington School.

Yours sincerely
