Warblington
School

Message from Mike Hartnell, Headteacher

Week 5 has come to a close and it's another great week to be part of Warblington School. Thursday saw the first Enrichment Day of the year, where issues such as homophobia, racism and bullying were discussed. It proved to be a good day for everyone! Having spoken to some Year 8 and 9 students, they said how the day had been "really interesting" and that it was "good to have a break from normal lessons".

In lessons this week it has been brilliant to see the Year 7's continue with their great start! Their energy seems contagious and they are creating a real buzz around school.

Next week sees an opportunity for you to come and meet your child's tutor to discuss the start to term. This is particularly important if your child is in Year 11, since we have postponed the Year 11 information evening due to clashes with college open evenings. Here you will receive lots of information from your child's tutor about the remainder of Year 11 and how by working together we can help this group of Year 11's become our record breakers! Their attitude to learning continues to impress and it has been a real pleasure visiting many of their lessons and indeed teaching them maths this week!

Both Year 10 and Year 11 have started the year with great focus and commitment, with good attendance at period 6 sessions and a lot using GCSE Pod outside of lessons.

Local Parking

Please take care when parking in local residential streets when you collecting your children from school that you don't block residents' drive ways. This is a very busy time of day and residents still need access to their homes.

Thank you for your support.
