Message from Mike Hartnell, Headteacher

As we head towards the final week of the first half term, it has been another busy yet incredibly successful week. I overheard some of the rehearsals for our production of Cinderella this week – it sounded incredible! Tickets go on sale in November and if the performance matches the music, we are all in for a real treat!

We also welcomed local Year 6 pupils up for WOW day this week – our biggest one yet, with over 220 youngsters joining us for the day. It went really well and even the rain at the end of the day couldn't dampen the atmosphere! A big thank you to all the staff and students involved in making that happen.

In walking around this week, I have seen some great lessons, but one worth a mention was a Year 7 science lesson where the students were investigating things under the microscope. The students were so engaged and happy to tell me exactly what they had found – it was fantastic!

Finally, thank you to everyone for their attendance at the tutor parents evening on Wednesday. It was great to meet so many parents and listen to their views and to have a chance to speak to you about where the school will be going in its next phase. One comment that did keep coming back was regarding communication and how we get important information out to parents, in a timely manner. I am always open to ways we can improve this so if you have any suggestions please contact us at admin@warblingtonschool.co.uk. Don't forget, we are now on Twitter @Warblingtonsch and over the next few weeks and months we will be publishing more of the good work and information via this channel!

Have a great weekend!

7E Students of the Week

Here are the reasons why the following students are Students of the Week for 7E

Olivia Carter because she noticed another year seven student that she didn't know looking lonely and she sat with her until the girl's friends arrived.

Kyal Walker-Ford for delivering a tutor session teaching the whole class how to create a bookmark.

Miss Pritchard, 7E Tutor
