Warblington School is a UNICEF Rights Respecting School. By reflecting on the United Nations Convention on the rights of the child and placing it at the heart of everything we do, we believe that our community is working together to enable our students to take an active role in developing their place in society both now and as adults of the future (Articles 28 & 29).

Rationale

Students are required to wear uniform because :

- It makes them feel that they belong
- It removes pressures for fashionable and expensive dress from students and parents
- It is the easiest way of identifying sensible and practical clothing, suitable for School Life
- Wearing appropriate uniform is part of establishing Warblington School as a formal learning environment

Aims

All School Policies support the Whole School Aims, in particular this policy supports:

- To accept responsibility for ourselves and others
- To be confident and independent

All students at Warblington School are expected to wear the correct school uniform. Parents have expressed their support for distinctive clothing for Warblington students. Considerable effort is made to maintain standards of dress.

It is a strongly held view of the Governing Body that the school should follow a School Uniform Policy.
