Growing minds, successful futures

November 2018

Dear Parent/Carer

Non-Uniform Day – Friday 16th November 2018

This year we are excited to be raising money for Children in Need as chosen by Student Voice and following the success of previous community projects. This year in addition we are also supporting a project led by a former student of Warblington School, Chloe Bradbury, who has spent the summer months living and volunteering at schools in Tanzania. Some of the money raised will go towards the cost of postage for sending out educational and story books along with basic sports equipment for the children.

Warblington School has decided to get involved and help raise money for these incredible causes with our Year 8 students organising and leading fundraising events throughout the week of Monday 12th to Friday 16th November 2018. For anyone who may be able to help further there is a Just Giving page online, please use the link below.

We would like students to bring in any unwanted story books suitable for 4 – 14 year olds and place it in the donation box at school reception.

Please see below the outline of the events planned.

Please remind your child to bring in some small change this week to participate in the various activities. Prefects will collect non-uniform donations in tutor groups on Friday.

Thank you, as always for your continued support.

Yours sincerely
