Warblington
School

Message from Mike Hartnell, Headteacher

This year marks 100 years since the end of the First World War. With Sunday being Armistice Day, it seems fitting that my words this week are more solemn, and show how we as a community, have remembered those involved. Our 'Thank you' display has been an opportunity for staff and students to say thank you and remember the wars which have scarred our past. It has given them a chance to remember not just those who fought, but also what they fought for. We are proud that this will be displayed, on Sunday at St Faith's Church, Havant.

Molly McInnes spoke to me this week about her visit to the Battlefields of Belgium during half term. We spoke about how moving the trip is and how contrasting a German and Allied cemetery is and she spoke about how she found a headstone of her relative. She proudly placed a wreath on behalf of Warblington School at Menin Gate.

As we fall silent on the 11th hour, on the 11th day of the 11th month, I am pleased that our community has joined in the nation in saying Thank You.

Year 7 & 8 Girls Netball

On Monday 5th November, the Year 7 and 8 girls took part in a Netball league against a couple of schools.

In our first match against Purbrook, we played fantastic and scored 3 points. Two by Kate Lazar 7B and one by Ella Celik 8D. In the end it was 3-3 leaving the final result as a draw.

Our next match against Oaklands was more difficult and we unfortunately lost. They were a very strong team with lots of club players but all the girls tried their best and no one gave up!

We look forward to next week, well done girls!

WW1 Battlefields Tour 2018

During Half Term Molly McInnes 11A laid a wreath on the WWI battlefields on behalf of Warblington School.

On the weekend of the 3rd and 4th November, I went on a battlefield tour in Belgium. I went to many places such as Tyne Cot Cemetery which is the largest on the Western Front, Essex Farm and Menin Gate.

The trip was very moving and emotional because I saw lots of cemeteries and walked in the footsteps of the soldiers who fought for our country 100 years ago.

Day 1 of the battlefield tour was my most interesting day of the trip although it rained all day. I went to Essex Farm where John McCrae wrote the poem 'In Flanders Fields' and saw the graves of a 14 and a 15 year old boy who had lied about their ages to be able to fight for their King and Country but never came home again.

Day 2 in Belgium was very emotional because we went to Tyne Cot Cemetery and saw many graves. We also visited the visitor centre which had artefacts found in the surrounding fields. Artefacts are still being dug up today. Also while we were there I found my Great Great Grandfathers name on the Walls of Remembrance to those missing in action and I laid a poppy cross in his honour. Later that day we went to Menin Gate for the Sunset Ceremony which has taken place every evening at 8 o'clock since 1927. I showed my respect to everyone who had lost their lives and laid a wreath on behalf of Warblington School to show that we will never forget the soldiers.

I will never forget this trip since it was a once in a lifetime opportunity. A big thank you to Charles Haskell, Director of the First World War Museum in Portsmouth for taking me and to my Grandparents on this fantastic and emotional experience.

Remembrance 1918-2018

100 years ago the First World War ended, and a new world began. The example and experience of those who lived through it shaped the world we live in today. In 2018 The Royal British Legion is leading the nation in saying
Thank You to all who served, sacrificed and changed our world.

The Royal British Legion

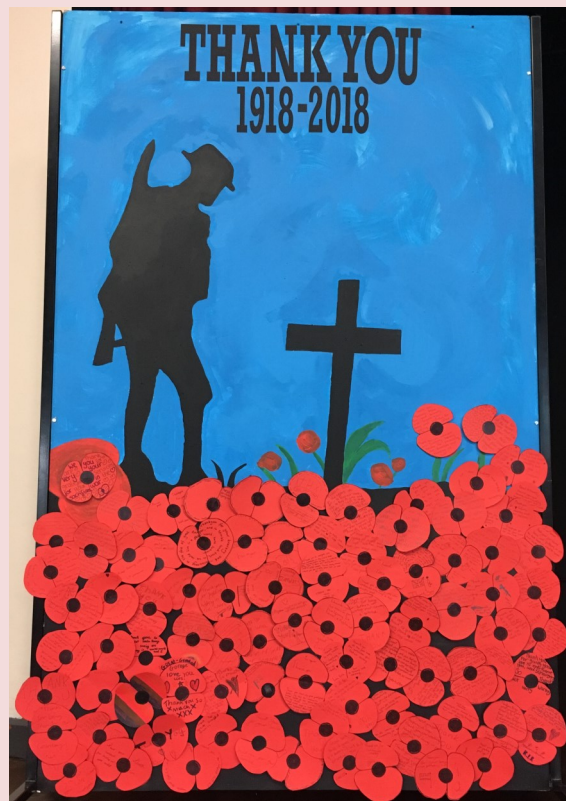

The message from the British Legion this year is to thank the people involved in WW1. As a school we have created a moving 'Silent Soldier' display as our way of saying thank you.

The display was created by Mr Whitlock who drew and designed it. Students used poppy templates to write their own thank you messages to be attached to the display. The messages could include:

- Thanking a member of their family or a family friend that has been involved in the services/previous conflicts.
- Thanking someone who is still currently serving in the forces
- A general message thanking the men, women, children and the people who joined forces with us from the commonwealth and how they made the country we live in today and the sacrifice they made.

Thank you to Mr Whitlock and everyone who made the display become a reality.

Mrs Richards, Assistant Headteacher

THE INQUISITIVE MIND OF A CHILD

A Poem for Remembrance Day

Why are they selling poppies, Mummy?
Selling poppies in town today.
The poppies, child, are flowers of love.
For the men who marched away.

But why have they chosen a poppy, Mummy?
Why not a beautiful rose?
Because my child, men fought and died
In the fields where the poppies grow.

But why are the poppies so red, Mummy?
Why are the poppies so red?
Red is the colour of blood, my child.
The blood that our soldiers shed.

The heart of the poppy is black, Mummy.
Why does it have to be black?
Black, my child, is the symbol of grief.
For the men who never came back.

But why, Mummy are you crying so?
Your tears are giving you pain.
My tears are my fears for you my child.
For the world is forgetting again.
