Warblington
School

Message from Mike Hartnell, Headteacher

I seem to always start this section by writing what another busy week it has been... it seems to never stop! On a personal level, I was so pleased for my Year 8's and the work they produced on expanding and simplifying algebra. Oliver, Kai, James, Charlie B, Rosie, Mia, Freya and Jack – well done, your work has been incredible! I was pleased to receive some positive feedback at parents evening this week – unfortunately I wasn't able to speak to you as a governors meeting was arranged for the same time, but thank you to all those parents who attended.

We have been dealing with some issues regarding various social media channels this week and I feel it is timely to remind you to stay vigilant and be aware of what young people are accessing. Information for parents, carers and young people can be found here <https://www.thinkuknow.co.uk/> and is often worth checking to keep awareness levels up.

I am pleased to announce the first tea/coffee morning on 30th November at 9:15 for you to come in, have a chat, raise any concerns, highlight positives and assist us in moving the school forward. You don't need to book, as it is an open forum. I plan to use this in future to help keep you abreast of what is going on at Warblington School. I look forward to meeting some of you then.

Finally, I would like to wish good luck to all the staff involved in the 'Hell Run' which is raising funds for the Rowan's Hospice – just make sure you are all in on Monday!

The Hell Run 2018

Tomorrow, the Warbo MudPack team will be running, slipping, squelching and possibly swimming through 10+ miles of muddy terrain on the Hell Run. We are running it on behalf of the Rowan's Hospice, who are an amazing charity who have done so much to help families affected by loss. If you can help, there is a JustGiving page for the team

<https://www.justgiving.com/teams/warbo>

Good luck to everyone involved!

Internet safety

I would like to make parents aware of some inappropriate use of the platform/app "Discord". Whilst most of our students are using the app to chat with friends whilst gaming, it has come to light that there are several unpleasant aspects of Discord that contain disturbing videos. Please can you discuss with your child how they use "Discord" and follow the advice contained in the Discord information section linked here <https://blog.discordapp.com/parents-guide-to-discord-c77d91793e9c>. In the light of this, please do not hesitate to contact the school if you feel concerned about any aspects of internet safety and you would like support.

Mrs Fletcher, Assistant Headteacher

Headteacher Tea and Chat
