# Weekly Newsletter

Issue 169: Friday 30th November 2018

## Message from Mike Hartnell, Headteacher

As November draws to a close, the school is busily preparing for the end of term. Mrs Whiteley-Fuller, Miss Blundell and the cast of Cinderella begin their final preparations for this years' production – tickets are on sale now and are selling very well!

In lessons this week, I have spent some time over in Art and Textiles. Some of the work produced never ceases to amaze me and I was particularly interested

to see some of these characters that the Year 7's have made. They were able to explain the process, how they created them and there was real pride in the outcome.

Today, we hosted the first of our parent forums. This was a chance for an open conversation about the school, where I see it going and how we can work together to ensure everyone enjoys their time at Warblington. One thing that was mentioned was finding out about the after school activities, which we will provide in next week's newsletter. We also discussed homework, uniform in the future and also the setting up of a PTA, something I am very keen to get running and am happy to support. The suggestion was to hold the next meeting in the evening, so look out for the date after the break.

Finally, there are a few things to be aware of in the last week of term regarding Christmas lunch and the change in times of the final week. This information will be sent out to you during next week so please look out for our text/email messages.

## EFL Girls Football Cup

On Thursday 16th November the Year 7 and 8 girls football teams attended a local football competition held at ROKO

along with 18 other teams. The girls demonstrated excellent team work and enthusiasm throughout the competition and their attitude was exemplary. We look forward to rewarding these students with the opportunity to take part in the next UV football event and the opportunity to watch the women's FA cup final at Wembley!

## Year 7 Boys Football Team

The Year 7 boys football team have been taking part in the District Schools Football Tournament this half term, competing against other schools within the district. The boys represented the school impeccably well and look forward to more competitions next year!

**Team:** Harrison Annand 7E, Evan Yearsley 7A, Rhys Roberts 7E, Will Forrest 7C, Josh Galmoye 7C, Jamie Stanford 7D, Elliot Jones 7A, Ollie King 7B, Zach Hudson 7C, Fred Dunning 7E and Jake Hilton 7E

## Year 9 Geography Field Trip

On Wednesday 28th and Thursday 29th November we took our Year 9 Geography groups for a field trip to Commercial Road and Gunwharf Quays to complete fieldwork for the new Geography syllabus. They undertook surveys, questionnaires and traffic counts allowing them to experience the pros and cons of data collection.

The students behaved impeccably and conducted themselves in a professional manner while conducting their surveys. We had some really positive comments from the public. Well done!

### National Online Safety - Parent Guide to 'Twitch'

Twitch is a gaming-focussed live-streaming service, owned by Amazon, where you can watch others play games live and listen to commentary as they play. It has 15 million daily active users and more than three million people live broadcast video game streams and other content on Twitch, with channels dedicated to just about every popular video game imaginable – both modern and retro. There are also shows that feature gaming competitions, professional tournaments, game-related chat and news. Plus, numerous non-gaming channels covering everything from cookery and music to art and travel. But Twitch is not just about watching other people’s shows – anyone can broadcast their own gaming action.

Describing itself as a ‘community of millions who come together to create their own unique, live, unpredictable, never-to-be-repeated entertainment’, Twitch is undeniably a popular platform for online gaming enthusiasts. With young children and teenagers frequenting the platform, it is important for parents and trusted adults to be aware of the associated risks, including, but is not limited to; uncensored material, unwanted contact from strangers, online bullying, live streaming and online payments.

Please visit <https://nationalonlinesafety.com/resources/platform-guides/twitch-online-safety-guide-for-parents/> for a parent guide to Twitch and more information on online safety.
