## Issue 170: Friday 7th December 2018

Warblington  
School

### Message from Mike Hartnell, Headteacher

The highlight of this week was going into art corridor and seeing

some of the fantastic work that has been produced this term. The display along the corridor looks fantastic and well done to all those who put real effort into producing some excellent work.

I also just happened to walk into the final stages of the Yule Log making lesson this week! It was brilliant to see how they had not only decorated their log, but had chosen the flavours for the ganache and students were talking to me about how they made and rolled the sponge. It was a great to see everyone so enthusiastic about their cooking skills.

It was also this week that year 11 have begun to realise the time to work starts now, if they are to achieve their best in the summer. In lessons this week year 11 have been really working hard and trying to fill some of their gaps in knowledge. For some of them, receiving their results was tough last week, and their resilience is really being tested. But we will be working with them over the next weeks and months to ensure they have strategies to help them achieve the grades that allow them to the next stage of their education.

Finally, as we look towards the festive period, Cinderella rehearsals are going well and the set up is close to being finished. I am really looking forward to seeing it! Also, we are coming close to the last chance to sign up for a Christmas lunch. This will take place period 4 on Wednesday 19th, which is also non-uniform day where students can wear a festive jumper to really get into the Christmas spirit!

Thank you, as always for your support.

### Geography 'Home Area' Poster Competition

Year 7 have been studying 'What is Geography' over the Autumn Term. As part of this topic, students completed a poster showing information and opinions about their local areas. Posters were judged by the Geography Department and a student panel of Year 10 GCSE Geographers.

The overall year group winners were:  
Kyrie Warren 7B, Ayla Isgoren 7E & Mia Wyng 7C

## Piano Exams

A huge well done to the three piano students who sat their Music Theory exams in November. They should all be really proud of their results.

**Emily Norris 10B** – Distinction  
**Genevieve Panton 11F** – Merit  
**Tilly Taylor 9D** – Merit

## Careers Advisor

I am Miss Setters and I am the Careers Advisor at Warblington School. I am employed by Hampshire Futures (Hampshire County Council) and hold a Level 6 qualification in Careers Information, Advice and Guidance. The service I provide is impartial which ensures that the students are receiving non-biased guidance.

I have been really impressed with the level of aspiration that pupils at Warblington School have. During a typical Careers Interview I will discuss school progress, subject choices and predicted grades. We then talk about interests outside of school before identifying potential career options.

If you are interested in attending a Careers Interview with your child then you are more than welcome to do so – please contact Mrs Wilson to arrange this. I look forward to meeting you!

PIC-COLLAGE

# Physical Education Department

## Club Player in the Spotlight

This new feature is the first in hopefully a long series of 'spotlights' focussing on Warblington students who commit their time out of school to play club sport. One of the PE departments aims is to inspire young people in sport and provide a link to local clubs and to develop a life long love of being active and healthy.

The first sport chosen for these features will be rugby.
