Warblington
School

Message from Mike Hartnell, Headteacher

Over the last couple of weeks, we have spent time as staff looking at how we ensure 'Excellence is an Expectation' in everything we do at Warblington. This is on many levels, with behaviour, work expectations and in the way we communicate with each other to name a few. Over the course of the next few weeks and months, we will communicate with you regarding any changes that are made and we look forward to working with you in ensuring these changes have real impact to the progress made by students at Warblington.

We are also very pleased with the numbers of Year 6's who have chosen Warblington as their school of choice for next year. Year 7 in September 2019 will be our biggest year group in the school and we look forward to welcoming each one, as we begin the transition process.

This week we see the start of the final GCSEs, with music practical examinations beginning on Monday. On Friday 15th, Year 11 will get the results of their final pre-public exams. It is from these results that staff will tailor their teaching for the remaining weeks, ensuring gaps in knowledge are addressed prior to their final exams in May and June. Good luck to all those Year 11's and hopefully they will begin to see that hard work they put in does have an impact.

Thank you, as always, for your continued support.

GCSE Food Preparation and Nutrition

Year 10 have been learning to fillet fish from our Sous Chef Kurt Cutajar. This is a high level skill that our GCSE Food students need to achieve for their practical assessments to gain a higher level mark. Year 10 this week are carrying out the filleting task themselves and making a fish dish of their choice. Below are pictures of Ethan Hough 10C who supported by Kurt is filleting a mackerel. Excellent work! **Mrs Wilkins**
