Issue 185: Friday 3rd May 2019

Message from Mike Hartnell, Headteacher

It has been a really busy week with Assistant Headteacher interviews. The process was really challenging for us and the candidates, as we looked to appoint the right person to help move our school forward. I would like to say a massive thank you to all the staff and students that took part in making the interviews happen and the success they were. I look forward to introducing our successful candidate to you in due course. Please find below some quotes from the candidates about their experience at Warblington School.

'I have seen fantastic youngsters who are a real credit to the school.'

'Staff here speak with passion about the direction of the school and the difference they can make.'

'Everyone was welcoming, happy and proud to discuss the school.'

'The atmosphere was calm, positive, productive and encouraging.'

'The school has a really welcoming and friendly atmosphere.'

Also this week we have had a variety of trips taking place including the Geography Hayling Island field trip, Blood Brothers theatre trip in English and the Year 7 and 8 activity trip to PGL's Little Canada on the Isle of Wight, which arrived back this week after an exciting weekend. Please find photos of these trips in this newsletter or to follow next week. Remember to check out our Facebook and Twitter pages for regular updates.

Duke of Edinburgh Award - Training Expedition

Our D of E bronze groups successfully completed their training expedition in the South Downs with Ridgeline Adventures last weekend. They walked through Queen Elizabeth Country Park to East Harting, camped at Marden Farm and returned through Chalton. All the groups improved their expedition skills! Great effort from all involved! Well done!

Mr Crowe, Duke of Edinburgh Coordinator

Year 9 Consultation Evening

We would like to invite you to attend our Year 9 Consultation Evening on Wednesday 15th May 2019 from 4:00pm-7:00pm. This is an important evening and provides you with an opportunity to consult with your child's subject teachers. Please book appointments online through Parent Mail. Any problems booking appointments please contact Reception. **Mr Cooper, Head of Year 9**

Hayling Island Geography Field Trip

Our Year 10 Geography students successfully completed their Hayling Island field trip this week. They focused on coastal processes and why management schemes have been introduced to protect the Eastoke area. Students completed beach profiles and sediment surveys during the day. Well done to all students!

Mr Crowe & Mr Strzelec, Geography

We Want Your Unwanted Prom Wear!

Prom is a brilliant end to a student's school life and a chance to celebrate with their peers. We want to make sure that all students eligible to go to Prom are able to go regardless of their financial situation as the buying of evening wear etc. can be very expensive.

If you have any unwanted Prom wear at home including dresses, suits and shoes, please donate them to the school so we can offer them to students. Please bring any items into Reception so we have a stock of items should they be required.

A huge thank you to the parent who donated a dress to the school that got this brilliant scheme started!

Looking To Get Back Into A Technical, Scientific or Engineering Career? Then STEM Returners can help!

STEM Returners is a programme to help people return to a technical, scientific or engineering career following a career break, which is incredibly difficult through standard recruitment channels.

Have you taken a career break from an engineering or a technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience?

If so this could be the opportunity for you! After the unprecedented success of the first programme where 100% of returners were offered permanent roles, we are currently sourcing candidates for the 2nd BAE Systems 'STEM Returners' programme, a 13 week, fully paid and supported return to work programme starting in September 2019 in Portsmouth. All candidates will also have the opportunity to obtain a permanent role at the end of the programme.

No career break is too long, register to return to STEM today!

For more information please visit www.stemreturners.com or email hello@stemreturners.com.

More information on the programme is also available here: <https://www.stemreturners.com/2019/04/29/returners-programme-becomes-integral-part-bae-systems-maritimes-attraction-strategy/>
