Weekly Newsletter

Issue 187: Friday 24th May 2019

Message from Mike Hartnell, Headteacher

This week in school we have been focusing on exams with Year 11. There have been lots of energiser sessions and with a few more weeks to go before the end of the GCSE exams, I hope that our Year 11s manage to fit in some revision over the half term holiday. I would like to thank the staff who are coming in next week for additional sessions to support students for the remaining exams.

It was good to meet with parents for coffee on Monday where we were able to discuss a broad range of topics including our new uniform, which was on display. I will be writing to all parents after half term regarding uniform requirements from September and how this will be implemented and enforced. Let's hope the sun shines over half term!

Warblington School No Pen Day

On Tuesday 21st May, students put down their pens and engaged in a day of debate and discussion in a bid to develop their confidence in discussing key issues and improving their vocabulary. Amongst other things, during the day students were seen...

- Debating in Science
- Discussing Utopia in English
- Debating about women's freedom and whether to kill a king in History
- Talking about environmental issues in Geography
- Exploring ways to make a marble maze in Maths

The feedback from the students was positive. We hope to make in an annual event at Warblington School. Mrs Whiteley-Fuller, Mrs Elvy, Mr Clinton and Mrs Heath would like to thank all students and staff for their hard work on the day.

Key Dates for the Spring Term: Week A

Monday 3rd June	Back to school after Half Term Holiday
	Year 11 Exams Continue

Dates for Your Diary

Wednesday 19th June	Year 10 Parents Evening
Tuesday 25th June	Year 11 Leavers Assembly 1:45pm-2:45pm
Wednesday 26th June	Year 11 Prom
Saturday 29th June	Duke of Edinburgh Assessed Expedition

Year 10 Work Experience

A huge well done to all of our Year 10 students who have been on work experience placements for the last two weeks. They have done amazingly well and in some cases students have been offered weekend jobs or apprenticeships when they finish school. It is a fantastic opportunity for students and they have really got stuck into their placements and have thrived. We are looking forward to welcoming students back after half term to hear their stories.

KS3 Computing

In KS3 Computing this half term, we have been learning how to code using Python. The students have done amazingly well to understand a very difficult concept. For their assessment, the children were tasked with making a program that printed the 10 times table and stopped at 12 times 10.

```
main.py
1 num=1
2 while num <=12:
3     print(num, "x10 = ", num *10)
4     num=num+1
```

Mr Godfrey, ICT

We are excited to be welcoming a group of Chinese pupils to Warblington School for the week commencing **8th July 2019**.

The visit aims to provide our students with an opportunity to broaden their international perspectives of the world, while building intercultural communication skills. Students will be introduced to Chinese culture and will be able to build friendships with students from the other side of the globe.

As part of this we are looking for friendly hosts to welcome the visiting Chinese students into their homes for the week, which can be a rewarding and exciting experience for the whole family.

The Chinese students would stay with you for 6 nights, from Sunday to Saturday and would come in to school with your own child each day, and after school would spend the evening with your family. Families will be paid a total of £150 for each student hosted, and may host up to 4 students.

The visit is managed by Opportunity Education, a cultural exchange organisation which is accredited by the BAC. Their website can be viewed at www.opportunity-education.com
For safeguarding purposes, Opportunity Education complete a DBS check and home visit with interested host families.

To register your interest and/or make an application to host please complete the Host Family application form: www.opportunity-education.com/homestay-application-form

Students of the Week

7A - Megan Rawlinson & Lewis Adams

Year 11

7B - Savanah Pinhorne & Jack Cole

A huge well done for your continued hard work and positive attitude towards revision and your exams! Keep it up, you are half way through!

7C - Ellie Harris & Anthony Whellams
