Warblington
School

Message from Mike Hartnell, Headteacher

10:27am today was the last time where the whole of Year 11 were together. The end of their physics exam and their time at Warblington School, this was also the beginning of a new adventure for all of them and one we wish them good luck in.

The school received many comments this week and I would like to share a few of them with you:

"I would also like to take this moment to thank you and Warblington school for everything you have done to get us [Year 11] to this final destination within the school, even though occasionally I have let myself and the school down, they stuck by me and I have always had a deep respect for the staff and the great job they all do."

"Most of you have taught me over the last 5 years and all of you have helped in some way. Those of you who did teach me, thank you for always pushing me to reach new highs and never giving up on me."

"Thanks to everyone at Warblington for all your hard work – it doesn't go unnoticed. Today I leave the school a better person than I ever thought I'd be and that is down to all of you. Thank you."

Have a restful weekend.
