

School Admissions for Armed Forces Families

Summary

Detail

A video funded by Forces Connect South East, and produced by Hampshire County Council, provides details on the steps that Forces families need to take to secure a school place for their child, with key application dates.

This video with contributions from school leaders, the forces federations, Local Authority representatives, Councillor Andrew Joy, Hampshire's Armed Forces Champion, and most importantly families and children, provides practical clarity for families, exemplifies the processes and challenges that are faced, alongside the high level of support we expect of each other.

The video link which can be viewed here, is suitable to be included on school websites.
