Weekly Newsletter

Issue 201: Friday 8th November 2019

Message from Mike Hartnell, Headteacher

Welcome back!

As we come to the end of week 9 we have seen another successful trip to INEOS as part of our growing work to lead the way with STEM education. Mr Clinton has been leading this area this year and has developed some really strong links which will benefit Warblington students.

I enjoyed my first 'Hot Chocolate with The Head' meetings this week, with Addieson L, Charlotte C, Ayla I, Matthew J, James L, Matthew W, Charlie F, Matthew W, Lydia C and Tom W attending and joining together to celebrate the successes they have had so far this year.

And finally, I am particularly proud of my mentoring group, Leon D, Mason M, Thomas B, Ethan K, Travis R and Charlie C. They have topped the charts for an increase in projected grades from the end of Year 10 to now – a massive well done! This is common across all of Year 11 with over 80% having seen their projected grades improve! An amazing achievement and we are very proud of them.

Have a great weekend!

Key Dates for the Autumn Term: Week B

Dates for Your Diary

| | |
|-------------------------|--|
| Wednesday 20th November | GCSE Presentation Evening 7:00pm-8:00pm |
| Wednesday 27th November | Year 10 Work Experience Evening 6:00pm-7:00pm |

| Monday 2nd December | INSET DAY - School closed to students |

DofE Success!

Annie M Year 11 has successfully completed her
Bronze Duke of Edinburgh Award!

Congratulations for all your hard work!

Mr Crowe, DofE Manager

Hampshire & Isle of Wight Air Ambulance

We were excited to welcome the Hampshire & Isle of Wight Air Ambulance to Warblington School on Tuesday! On Tuesday the This Girl Can project ran a workshop with the Air Ambulance. This was a fantastic workshop with 30+ students from all year groups getting involved and having to plan out their own rescue mission from receiving the call, planning the route of the helicopter and treating a patient at the scene of an accident.

Thank you for a brilliant workshop and opening our eyes to the Hampshire & Isle of Wight Air Ambulance!

Mrs Whiteley-Fuller, Drama

Havant & Southdowns College Open Morning Saturday 9th November (10am-1pm)

Our open morning is a great opportunity to get a feel for College life and there is a slightly more relaxed feel compared to our open evenings.

Both our campuses are open, so if you're torn between a Vocational Course and A Levels this is the perfect time to weigh up your options and visit both campuses.

Come along for the chance to:

- Learn more about studying at HSDC
- Find out about the wide range of courses
- Meet our inspiring lecturers
- Ask questions about College life

Guarantee your place by completing your application form on site.

A LEVELS – HAVANT CAMPUS

Our Havant Campus is home to the A Level Centre of Excellence, and is the place to study your chosen A Level subjects. A Levels are ideal for those who want the opportunity to study more than one subject. You can pick three different subjects to study alongside each other over a two year period.

VOCATIONAL – SOUTH DOWNS CAMPUS

Vocational courses are great if you're a hands-on learner. They concentrate on teaching you the skills you need to successfully transition from education to full time employment or a higher level course. If you prefer practical learning and are considering becoming an apprentice our Apprenticeship team will be around to discuss the options available to you. There will also be advice and guidance on the new T Levels starting in 2020 and how these differ from our other routes.

Check out our website for more information: <https://www.hsdac.ac.uk/events/hsdac-open-morning/>
