Message from Mike Hartnell, Headteacher

What a term this has been! I would like to say a big well done and thank you to all of our students, staff and parents for all of your fundraising efforts, we raised £548.00 on our non-uniform day for Mission Christmas and this doesn't include all the amazing gift donations also for Mission Christmas and food bank donations for the Beacon Food Bank.

I hope all the staff and students enjoyed our end of term assembly. It was a lovely opportunity to get the whole school together to share success, have a giggle with the Christmas Panto and share your singing skills with our now traditional yearly sing-a-long!

I would like to wish you all a very Merry Christmas and a wonderful start to the new year! See you all in January, relaxed and refreshed.

Geography Department Recycled Bauble Competition

T'was the night before Christmas and all through the school, Empty drinks cans and bottles laid used and worn out. Along came the Geographers with an amazing idea, to decorate a tree using all this once used material. Entries came from all years and even the staff, Who would have thought they were such a craft loving bunch. Recycled drink cans, bottles and pots, used light bulbs and Ping-Pong balls, turned into magical surprises, to hang from the tree in their second use disguises. The winner was picked, tough it was too, First prize award and second in situ. Well done Poppy from 10A and Miss Barker for their creativity. And thank-you to all for the lovely ideas, of how to reuse and recycle are everyday things.

Now students, this story is not just for you, It's important for adults to recycle too! Reduce and reuse are things to remember - To do all year round, not just in December!

1st Prize Poppy R 10A

2nd Prize Miss Barker
