Issue 208: Monday 13th January 2020

Message from Mike Hartnell, Headteacher

Welcome back! I had the privilege of joining Mr Doe and some Year 8's on their STEM trip to INEOS this last week. Not only was it great for me (as the son of a boat builder) to see the engineering involved in Britain's entry to the America's cup, but it also gave me a chance to see some of the work the team are doing to promote careers in STEM. There are more trips heading out in the next month and we are hoping to get as many students out as possible.

In the assembly on the last day of term, there was a prize draw with the probability of winning based on the number of pride points each student had achieved. Congratulations go to:

Year 7: Aiden B & Leyla S - Year 8: Ledley H & Ruby H - Year 9: Luke C & Millie S - Who all won Smiggle goodie bags.

Winners of the Amazon vouchers were: Year 10: Alyssa M - Year 11: Thomas B

There was also a final award based on the number of GCSE pods watched. This went to: Sophie S

This week is the start of the Year 11 Pre Public Exams (PPEs). May I take this opportunity to wish them good luck and I am sure their hard work will pay off!

Year 7 & 8 ICT

In Year 7, students are learning how to use Microsoft Excel (a useful program for the world of work). Lesson 1 consisted of learning how to read coordinates through a game of 'Battleships' and then going on to work out how to write basic arithmetic formulae.

In Year 8, the students are learning how to write algorithms using physical resources. The students today used Microbits to create a code where a smiley face will be displayed if button A is pressed and a sad face will be displayed if button B is pressed.

Service Pupil Premium (SPP)

Service Pupil Premium (SPP) was introduced by the Department for Education (DfE) as part of the commitment to delivering the Armed Forces Covenant. SPP enables schools to provide extra, mainly pastoral, support for children with parents in the regular Armed Forces. SPP is paid directly to state schools, free schools and academies across England for supporting Service children. The amount is £300 per child in classes Reception to Year 11.

Who is eligible?

Children of regular Service personnel (PStat Cat 1 and 2 only) who have been recorded as Service children on any January census since 2015 in state schools, free schools and academies in England in years reception to Year 11 are eligible for SPP.

Schools can claim SPP for children of regular Service Personnel, for those who have had a Service parent who has died in Service as well as those who have left including through injury for up to a maximum of six years or up to the end of Year 11 (whichever comes first).

If a child is not recorded as a Service child whilst the parent is serving, and the Service person has left the Services, schools will not be able to claim SPP.

If a child is home educated, parents agree to take on the financial responsibility and therefore are not eligible for SPP.

The deadline for recording Service children on the next January census is **Thursday 16th January 2020**.

Please inform the school of your child/ren's Service status ahead of this date to ensure the school can secure SPP funding.
