Another milestone completed! Well done to our students, 10,000 GCSEPods watched this academic year! No wonder staff keep saying 'I can't believe how well they've done in their PPEs...'. Keep up the good work!

### 'Get Inspired' Trip

On Wednesday 22<sup>nd</sup> January, Warblington School attended the 'Get Inspired' event at Portsmouth Guildhall run by the EBP South. 35 Year 8 students attended this inspirational event in which businesses were invited to exhibit with an interactive activity that gave our students a practical insight into careers in their industry. Photos on page 3.

Matthew J who attended said 'there was lots of different opportunities of work in Portsmouth. There was a boat maker, ambulances, people who make drones and lots more. My personal favourite was all of downstairs because it had lots of people involved in computer science which I really enjoy. Also, there was VR, design your own room, even army people. I am really glad I had the opportunity to go on this trip. If anyone else has the opportunity to go, go'.

Mrs Fletcher, Careers

### Year 9 Computer Science

In Year 9 Computer Science, students have been learning about Network Topologies (the way in which devices are organised on a network). The students used string to represent the cable, pegs and post it notes to represent the packets (data) and each other to represent the Computers and Switch.

Mr Godfrey, Teacher of ICT & Computing
