Warblington
School

Message from Mike Hartnell, Headteacher

Thank you to all those Year 8 parents who attended Parents Evening last week. It was good to meet so many of you again and I hope you found the information useful and informative.

Please see the letter on our website with information from Public Health regarding the Coronavirus. The school had a deep clean during the holidays and we are maintaining a good level of cleaning throughout the day. Please be aware that we will update you according to advice given. Personal hygiene must also be a priority with hand washing and catching coughs and sneezes. Please see the poster in this newsletter.

Finally, can I commend all the Year 11's who attended revision sessions during half term and are carrying this on during period 6 sessions after school. It does make a difference! A huge thank you to staff who gave up their time to help our students!

GCSE Certificates

Class of 2019 don't forget to collect your GCSE certificates if you haven't already done so. They are a very important documents that you will need for higher education and applying for jobs. Legally the school can only keep them for a year and then they get destroyed. Reprints then have to be ordered from the exam boards and are very costly. Certificates can be collected from Reception.

CORONAVIRUS: PUBLIC INFORMATION

The Government and NHS are well prepared to deal with this virus.

You can help too.

Germs can live on some surfaces for hours.

To protect yourself and others:

- Always carry tissues with you and use them to catch your cough or sneeze.
- Bin the tissue, and to kill the germs, wash your hands with soap and water, or use a sanitiser gel.
- If you have arrived back from China within 14 days follow the specific advice for returning travellers.

This is the best way to slow the spread of almost any germs, including Coronavirus.
