Issue 214: Friday 6th March 2020

Message from Mike Hartnell, Headteacher

Firstly, I would like to say a huge congratulations to the students that took part in the Portsmouth Music Festival last Friday, I have heard brilliant things about the evening and as a school we are immensely proud of all your achievements.

Our Year 11 students are getting into their revision by attending Period 6 revision sessions and working hard on GCSEPod and other online resources. Every little helps so keep it up!

It was World Book Day and Careers week this week and its British Science Week next week. The science department are running different experiments at lunchtime so make your child pops by to see some fascinating experiments that they might not normally see in their science lessons.

Remember to keep vigilant with personal hygiene with regards to the Coronavirus, a letter update was uploaded to our website and emailed home this week and I will keep you updated with any further information.

Portsmouth Music Festival

On Friday 28th February, a group of our Music students competed against other bands and musicians in the local area at the Portsmouth Music Festival 'Rock & Pop' Section.

There was a high calibre of students performing in the event throughout the evening but our students represented the school really well and did a phenomenal job of presenting and performing their musical skills.

Our entrants were awarded the following grades:

KS4 Band 'Do Not Disturb' (Carina B, Kaydon C, Molly W, Abigayle H) = Highly Commended

Mollie J = Highly Commended

Melissa A = Distinction

Caitlin M = Distinction

Sky D = Honours

Some of students also picked up some individual awards:

Carina B (vocalist for Do Not Disturb) = Best Vocalist

Melissa A = Best Original Song

And I am delighted to announce that Melissa A was the overall winner of KS3 section and picked up the John Gleadal Cup and Sky D was the overall winner of the whole event and picked up the Geriant Shield!

A huge well done to everyone who was involved last Friday, they really have made me a very proud music teacher!

Miss Blundell, Music

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days.

See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
