Message from The Editor, Miss Barker

I hope you all had a brilliant VE Day on Friday and enjoyed your celebrations. It was a very different day to the celebrations that were planned but everyone made the most of the situation and celebrated together, at a distance of course and remembered those who fought for our country. Above you can see some VE Day bunting made by Jack W Year 9! A huge thank you and well done to all the students who took part in the History Department's VE Day activities. It has been great to see all of the different items being sent in. They will be able to make a display board in History to remember and celebrate this day.

'On VE Day, I made cakes for my whole road, spending about 3 hours in the kitchen cooking! At 4pm we all sat 2m away from each other and told stories from the war, including from someone who was nearly 100! We spent all evening talking and listening to songs. It was a brilliant day and I enjoyed listening to all the stories from the war.' **AJ W Year 8**

It sounds like you had a lovely day AJ and well done for baking all those cakes! Ruby C Year 9 has been doing some belated baking. As we all know it has been hard to get baking goods in the supermarkets so Ruby had to make her Winston Churchill Fruit Cake a little later than planned but as you can see from the photos below it looks delicious!

Remember, we are here if you need us, just email in to your year email address and in the subject box put who the email is for the attention of.

Struggling with your work? We now have a SEND email address for work concerns. When emailing please specify the subject/work you are struggling with and what the problem is. Someone will then be able to help you. SENDhelp@warblingtonschool.co.uk

And finally, if you have any items for this newsletter, send them via social media or to you year email address with the subject school newsletter! We enjoy seeing what you are getting up to at home!

WELL DONE!

A huge well done and thank you to everyone who completed a London Marathon #twopointsixchallenge!

You can see some of the staff challenges on our social media pages and below. If you completed a #twopointsixchallenge at home we would love to see what you challenged yourself with.

Thank you for all your donations to charity and especially to our school charities chosen for this challenge, Cystic Fibrosis Trust in honour of Sam Roonan and Young Minds.

Mr Hartnell went for a 2.6 mile run!

Dr Lansley did 262 juggles!

Mrs Barlow completed a 26 mile bike ride!

Mrs Crockford lifted her daughter in the air 26 times in a row, per day, for 26 days!

Miss Uguen completed 26 lengths of her garden while hula hooping! Completing 2.6km over a two week period.

Mrs Griffin & Mr Chaplin both completed 26 keepy ups in a row! Videos on social media!

Mr Strzelec went for a bike ride completing 2.6 miles in 8.4 mins and a 6.2 miles in 20mins!

Mr Barnard completed a 10 mile bike ride!

Mr Ashcroft and his family all ran 2.6 miles, the boys while passing a rugby ball and the girls in their glad rags!

Miss Barker did 26 crunch whammy's in a row, an abs toning move on her trampoline!

Havant Young Carers

Some of our students are young carers, this means that they help to care for a family member at home. The Havant Young Carers are a group that support young carers. If you are a young carer or your child is one, you might already be aware of this group as they hold meetings in school.

For more information and to get in contact with the Havant Young Carers please visit their social media pages or their website. They have still been offering their support

to students at home with Zoom group meetings and 1:1 meetings.

Students of Key Workers

On Friday 1st May, the students of key workers that were in school made these lovely flowers with myself and Mrs Fletcher. They cut out the shapes and then folded the petals and then some were decorated. You all did a lovely job, well done!

Careers Update

During this unsettling time, the EBP South have created some great online resources for all students to use, for FREE! They are also offering online one to one career advice for our students. Take a look at their website <https://www.ebpsouth.co.uk/career-support-through-coronavirus> and the poster below.

The BBC Bitesize website is also a great source for career related information! Whether you are deciding what to study at college, planning a career, or just curious, the website is there to explain the world of work, with advice from people who've found the right path for them <https://www.bbc.co.uk/bitesize/careers>.

A REMINDER TO ALL YEAR 11 STUDENTS – please make sure you have made your college applications. Colleges are still accepting applications and are conducting their interviews over the phone rather than face to face! You can apply through the college websites. If you need any help with your application, just let us know!

YEAR 10 – another reminder to get you to start thinking and creating your CV! You will need a CV ready for Year 11. TIP - If you use this link <https://careercompanion.cv-creator.com/> complete the boxes, and it will generate a CV for you! You can then save your CV and continue adding to it!

If there are any students in Year 10 or 11 who would like a career chat, please get in touch and we can arrange this for you! We are still working closely with Hampshire Futures and can arrange this through email or over the phone! Please visit the school website for more careers related information!

Year 7 Update from Mr Barnard!

VE Day Celebrations

Here are a couple of pictures from my VE Day afternoon cream tea in the front garden for our street celebrations. The bunting was handmade out of a couple of old school shirts. Anyone who has photos from their VE Day celebrations, remember that the History department would love to see them.

Well Done!

Well done to everyone who has submitted work over the last two weeks. Keep up the hard work!

Students who have sent in a large amount of work via the Year 7 email address:

Charlotte C, Callum C, Connor G, Abigail B, Imogen H, Megan H, Jaycob P, Hudson S, Tom K and Georgia W

Students who answered over 20 assignment questions

Samuel M, Ronnie H, Jaycob P, Chloe T, William B, Abigail B and Cody Fay

Students who answered over 40 assignment questions! Amazing effort!

Hai-Trieu Phan and Chloe Poolman

Well done to you all and Pride Points are on their way to you all!

Stay safe, look after your families and each other

Mr Barnard, Head of Year 7

Year 8 Well Done!

Well done to Ethan S Year 8 who has produced amazing PSHE work again! He has been keeping himself busy not just with his school work but he has also been baking, playing games with his family in the sunshine and working on his reading list.

Mrs Fletcher, Assistant Headteacher

Woodwork From Home

Jack W Year 9 has been busy developing his woodwork skills to create some lovely designs. A diverse selection including a bird box, garden stairs and a bathroom cabinet. He has also made a clock which featured in this newsletter previously. Excellent work Jack!

Mr Whitlock, Head of Year 9

MFL Challenge?

French Vs Spanish

This week Year 7 and 8 were set an MFL challenge as a part of their MFL work. The challenge is a competition between our French and Spanish students from both year groups.

The deadline for entries is Monday 18th May so you still have time to enter! Log into Class Charts to find the instructions under MFL Session 2, complete the Treasure Hunt and send in your photo collage to your year email address for the attention of either Mr Ashcroft for French or Miss Uguen for Spanish

Which language will be the winner?

Thank you and good luck!

Miss Uguen

Don't forget Warblington School Staff can enter too!

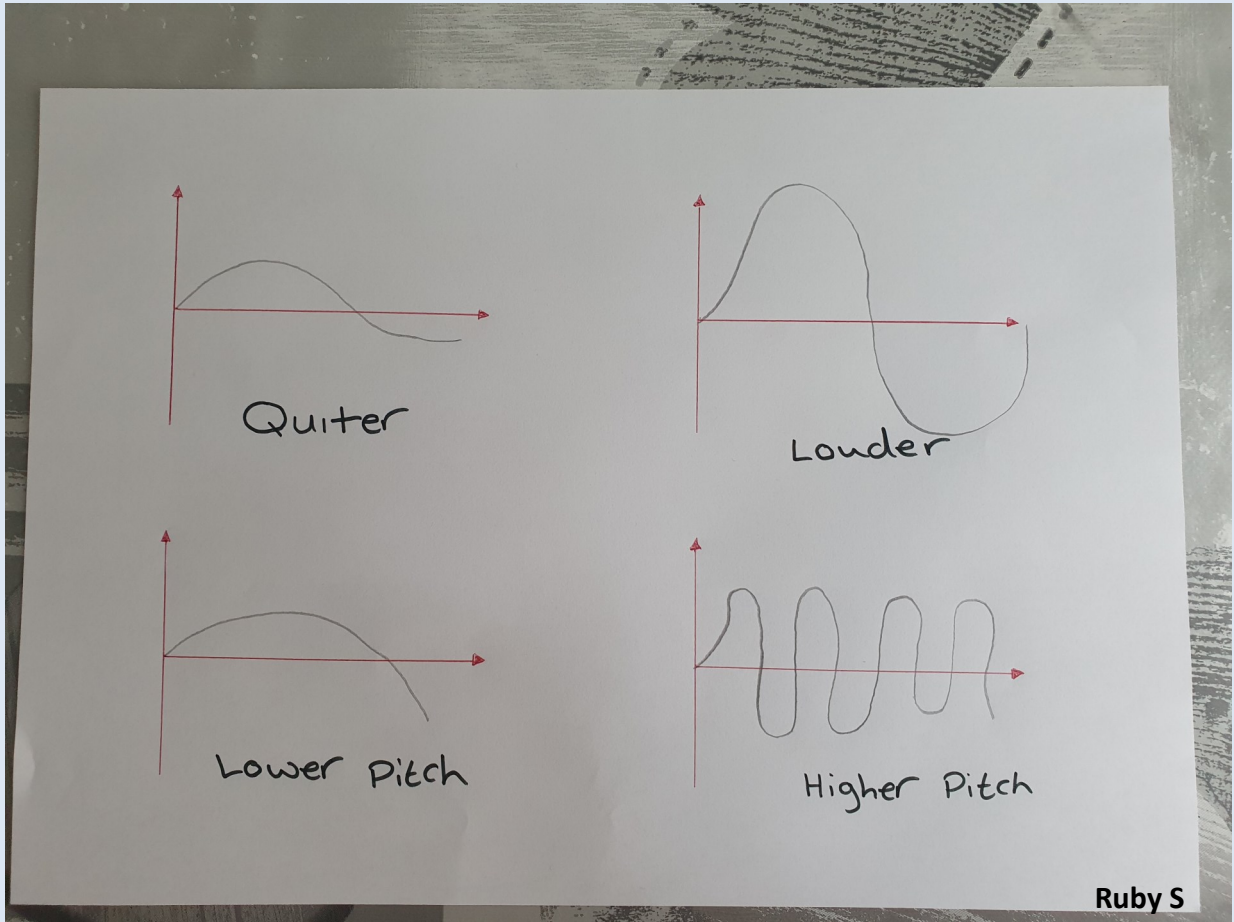

Drama Work

Ioana N Year 8 has submitted a brilliant and very colourful piece of Drama work this week!
Well done Ioana!

English

I think they are using the word Kit Kat so much because they want to get it in your head.

Dollar Shave Club:

they are using repetition and an imperative

They have used a play on words to emphasise the imperative and repeated it for extra impact they chose to repeat. The word because it helps you remember what the product is.

Coke:

Repetition and Imperatives and persuading you to feel thirsty it could count as an instruction and also created a feeling with their product

Review of Miss Jones letter:

She is saying the word benefit more than once so that it reiterates her point likewise it's done again with the word Convenient by proving her point more than once using the word convenient, rather than just making a list and using it once

I will repeat in my letter: lovely

Dear MR Hartnell

I am writing regarding the proposed building of a new KFC next to Warblington school. As a pupil from Warblington School I would love a kfc to be built next to our school seeing as after a hard long day of work we would be able to pick up a lovely meal and feel lovely and refreshed after our pe lessons. I am aware you may have concerns about healthy eating for a teenager like myself but recently kfc have added lovely salad box and lovely rice meals to their lovely menu. I know there have been many protesters in the area already raising concerns about easy access to unhealthy food. Teenagers won't only want the unhealthy meal, they

Year 8 English Work Continued...

could just have a lovely fresh milk shake after pe, do teenagers have to pick the greasy unhealthy meal at a restaurant ?

I know there is a kfc in havant but many people can't go that way because they live in Emsworth so the closest kfc would be in Chichester which would mean I can't eat with my mates because I would go havant and they would go Chichester. You may have concerns for the schools revenue but kfc don't serve breakfast and we aren't allowed out of school in the lunch break, so the only time we could get a kfc is after school. this means the school canteen wouldn't lose money because of the kfc outside because they aren't competing for sales at the same time. In my opinion it would be perfect for our community because they're no other food or drink establishment in the Warblington area.

A lot of people say teenagers will pick up a bad eating habit by only eating fatty food, but many kids would just love a nice treat once in a while

Yours sincerely

Jamie Houlsby

Year 7 Art

Year 7 have been working on Bug Patterns this week for Art. They have produced some lovely colourful patterns.
