Total number of students in receipt of SEND support	132	£291,057
Total number of pupil premium students	165	
Number of students with Statements of SEND or Education and Health Care Plans	5	£7,493.78 (top up funding autumn term 2017)

Warblington School individually tracks interventions for any student who is in receipt of SEND funding.

Interventions for students are variable and might typically consist of any of the following:

- LSA intervention in English to support improved progress or outcome.
- LSA intervention in Maths to support improved progress or outcome.
- LSA intervention in Science to support improved progress or outcome.
- LSA intervention in Humanities to support improved progress or outcome.
- Nurture group support in Year 7 to enable students to progress to age related expectations and above following entry to Warblington School.
- In class support from a LSA in Maths, English, Science or any non-core subject.

- Withdrawal support in the Learning Centre for a specific, targeted and time limited intervention programme.
- Identified support for reading catch up and closing the gaps in reading skills.
- Identified support for spelling catch up
- KS3 intervention teaching to help close the gaps in learning in English or/and maths.
- KS3 and KS4 Lego therapy
- KS4 Nurture support for students who may be experiencing social, emotional and mental health difficulties and who need additional academic support.
