Issue 227: Friday 11th September 2020

Message from The Editor, Miss Barker

Welcome back to all of our students and staff! We would like to say a huge well done to everyone for the way you have adapted to the changes around school and got back into your studies. There are a few things to get used to but at the core everything is the same, learning, growing and supporting each other to succeed as 'excellence is our expectation'.

Thank you to those that are already wearing a face covering around school but from Monday 14th September it will be compulsory for all students as well as staff to wear a face covering in the corridors and communal areas around the school. It will not need to be worn in the classroom. This is an essential practice to help keep students and others safe around school. Some people maybe exempt from wearing a face covering, if your child is exempt please send an email to admin@warblingtonschool.co.uk to make us aware of this fact so we don't challenge these students. They will be given a discrete badge to wear to make this fact known to all staff.

Thank you for your continued support and we are pleased with the positive start we have had here back at school. Together we can keep each other safe and make this work!

Open Evening

Tuesday 29 September

2020

T: 02392 475480 E: admin@warblingtonschool.co.uk

A: Southleigh Road, Havant, PO9 2RR

W: www.warblington.hants.sch.uk

This year sees a slightly different but exciting Open Evening than we have experienced in previous years due to these exceptional times.

We would like to invite parents/guardians of year 6 students, who have not previously been able to visit the school before, to our Open Evening on Tuesday 29 September. Our School Ambassadors will take you on a tour of the school to participate in a variety of activities within our curriculum areas giving you a taster of life at Warblington School.

There will be hourly timeslots starting at 5.00pm, 6.00pm and 7.00pm finishing at 8:00pm. With a maximum of 2 guests per booking from any one family (1 adult and 1 child) where possible.

Spaces are very limited so you are recommended to book early. To secure a place, please visit our website www.warblington.hants.sch.uk where you will be directed to our booking system.

Please note we are unable to accept any drop-ins on the evening.

If you have visited us at Warblington previously, we would love for you to join us virtually for our “subject snippets” prior to the evening, then again on the evening for “live” activities which you can participate in, accompanied by Mr Hartnell’s (Head Teacher) introductory talk.

Following Open Evening, everyone will have the opportunity to join us for a Live Q&A session on **Tuesday 6 October** with Mr Hartnell.

Please note that this year there will be no opportunity to visit the school during the working day.

We look forward to welcoming you to our school.

Sport & Exercise

Even though we haven't had any newsletters over the summer holidays, we have still been showcasing our staff sporting interests and exercise on our school Facebook and Twitter pages. Here are the ones that have recently featured that may have been missed by those without these communication platforms.

The PE Department presented...

Miss Bell, HLTA

Miss Bell plays football for Chichester and Selsey Ladies FC.

Mrs Phillips, Art & Photography

'My favourite sports are swimming, jogging and yoga. This year I have got into sea swimming, and even went for a dip in the sea on New Years day! I have swam quite a few times during lockdown, and even tried paddle boarding. But my most favourite sport is snowboarding! Sadly I only get to go every few years now, but it is the most amazing sport!

Here is a photo of me running the London Marathon in 2010, I completed it in 4hrs 40 mins!'

Miss Blundell, Head of Year 11 & Teacher of Music

'In 2016 I trained to get my AIDA Level 2 Qualification in Free Diving. I have always loved swimming and being in water so this was something I had wanted to do for a while. Free Diving is a sport that requires you to dive with no air equipment! I am able to dive up to 50ft and hold my breath underwater for 2.58 minutes! I have equipment that helps me stay under water for longer and go further in distance such as a weight belt and extra long fins. Getting this qualification is something I am incredibly proud of and I love being able to go out on the boat and jump into the sea to go exploring!'

Free School Meals

We have updated our cashless catering system and the cash top up machine in the hall does not show the FSM daily allowance of £2.40 for students when it is added each day. Please assure your child that it is there and when they go to the till to purchase their lunch, their FSM allowance will be there for them to spend. At the till they will also be able to see how much allowance they have remaining after any purchases. Any additional credit you add via Parent Mail or they add by cash, will be visible on the top up machine.
