Weekly Newsletter

Issue 228: Friday 18th September 2020

Message from The Editor, Miss Barker

Thank you to all of our students for making sure they were wearing their face covering this week. We are really into the swing of things now with the Covid changes around school to help keep ourselves and each other safe.

As you walk down the quiet corridors (following our new one way system), you would think no one was here but as you pass a classroom you can see a hive of activity and learning by all. Keep up the hard work everyone!

Open Evening 2020 Testimonials

For our virtual open evening, we would like some parent/carer and student testimonials. All you have to do is record yourselves or your child giving a short review of the school. What are the best things about the school? How has the school supported you or your child? Please ensure videos are no longer than 30 seconds long. Please email videos to m.godfrey@warblingtonschool.co.uk. Also use the same email address for any questions or queries regarding the testimonials. Thank you in advance for your help.
