Weekly Newsletter

Issue 229: Friday 25th September 2020

Message from The Editor, Miss Barker

Next week we have our annual Open Evening on Tuesday 29th September. This is an opportunity for prospective students and their parents/carers to see the school. Like many schools we are doing things virtually however we are still offering a physical Open Evening, please see our website for more details. I would like to take this opportunity to say thank you to the students who will be helping at the event in curriculum areas and as tour guides.

Key Dates for the Autumn Term: Week B

Tuesday 29th September	Open Evening See our website for more
Tuesday 6th October	Live Q&A Session for prospective students & parent/carers 5pm-6pm

Sport & Exercise

This week the PE Department present...

Mr Whitlock, Head of Year 10 & Teacher of Art & Photography

'I qualified as a football coach just over 2 years ago and currently coach Worthing Utd U13 girls. I love seeing how much the girls enjoy playing football and how much progress they make. Regular football training is good for their physical and mental health. In the beginning there were 3 or 4 girls at training including my daughter and now we have three teams at different age groups. Having won the Sussex League (West) last season and after winning all of their games, the girls were promoted to the Sussex Premier division. We travel all over Sussex playing the best teams in the area. We resumed training over a month ago, it has been interesting planning sessions where the girls are able to play football whilst observing social distancing.

This is the clubs new logo which features two red stars as a dedication to the two footballers Jacob Schilt and Matt Grimstone, who sadly died in the Shoreham Air Show disaster on their way to play football for Worthing Utd FC on 22nd August 2015. A charity walk was organised in their memory and the money raised was used to develop youth football, including the girls section at Worthing Utd.'

Warblington School

Open Evening

Tuesday 29 September 2020

T: 02392 475480 E: admin@warblingtonschool.co.uk
A: Southleigh Road, Havant, PO9 2RR
W: www.warblington.hants.sch.uk

Now FULLY BOOKED!

To register on the Waiting List and for further information regarding forthcoming events please visit our website www.warblington.hants.sch.uk where you will be directed to our booking system.

Our Virtual Open Evening will be available to all on our website, Facebook & Twitter pages.

Subject Snippets videos are now available to view on all of these platforms.

Any questions or queries, please email admin@warblingtonschool.co.uk

Live Q&A Session with our Headteacher, Mr Hartnell

A chance for prospective students and their parents/carers to ask our Headteacher questions about life at Warblington School. Join us on Facebook (@WarblingtonSchool) between 5:00pm and 6:00pm on Tuesday 6th October 2020.

11B - Jack H & Jake B

11C - Beth B & Ashley S

11D - Amelia F & Tilly T

11E - Akosua B & Charlie M

Well Done! Well Done! Well Done! Well Done!

New Trees for Warblington

Funded by the Woodland trust and organised by a member of the Site Team, Warblington School will be planting over 400 trees in November. This is one action the school is taking to deal with Climate Change as planting trees reduces the amount of carbon dioxide being emitted into the atmosphere. Planting trees also helps to reverse species loss which is also an urgent problem which needs addressing.

Helping climate change isn't as easy as just planting a tree, baby trees need a lot of care. In a forest, they have their Mums and Dads to help them but here at school they will need human help. For this project to succeed, it is essential that our school community takes on the role of tree parents for at least the next three years to give the trees a good start in life. This means we need some very responsible, caring and environmentally minded students to take the lead in making this a success. They will be our Junior Tree Wardens and will help with watering, weeding and everything these baby trees need to survive. They will mind, monitor and measure to check how the trees are progressing. The trees will need your help too through supporting our Junior Tree wardens with advice, interest in their work and praise.

How to become a Junior Tree Warden

1. Get together with your friends and make a team of four, one of you will need to be the leader of your team.
2. Speak to your tutor who will have already talked to you about this project.
3. Your tutor will forward your group to Mrs Rason who will give you an invitation to apply for the position of Junior Tree Wardens. You need to do this by **Monday 5th October**.
4. If you are chosen, you will need to get a reference from a parent/carer and also a teacher to say why you would be suitable for this responsibility.
5. Once you have been accepted as a Junior Tree Warden, your team will have an induction quiz to see what experience you already have with nature – it is okay if you don't have any. Wanting to be involved and seeing this project through is much more important than experience.

Remember – every tree started small and small actions can grow into great ones!

For more information, see Mrs Rason in Science

SEE THE SHOW - SHAPE YOUR FUTURE

Presented by ROCKCORPS WhiteHat

Apprentice Nation

Apprentice Nation's vision is a Britain where apprenticeships and university are equally valued. Using popular UK artists, they raise awareness of apprenticeships among diverse groups of young people, and provide them with fundamental skills to shape their future. Visit www.apprenticenation.co.uk for more information.

1. Students can join at www.apprenticenation.co.uk/join
2. Students can watch an inspiring livestream concert on

Thursday 1st October at 7:00pm and are also invited to watch **free** work-ready webinars and on-demand videos. Topics include apprenticeship myth busting, interview tips, SMART goals, diversity and inclusion in the workplace and much more.

4. By taking part, students can unlock rewards. These include mentoring sessions with employees at top UK companies, as well as the opportunity to win an exclusive video call with their favourite artist from the livestream.

Pen Recycling

We are collecting used pens of any type for recycling. Ball point pens, markers, highlighters... any type of pen! We will be passing them onto a local recycling point who can get them recycled. Another way we can try and help the planet and reduce waste!

Test and Trace

23 September 2020

Dear parents and guardians,

This is an important letter to share some information on how we can work together to make sure we can continue to give children and young people the best education in the safest way possible.

One important part of ensuring the safety and wellbeing of pupils, parents and our communities is testing for coronavirus. We all have a duty to make sure that the right people have access to get tested at the right time. Every time a test is used inappropriately, a person with Covid-19 symptoms may miss out on getting tested.

Therefore, I ask that you all follow these principles:

- You should only book a test if your child has any of these three coronavirus symptoms:
 1. **a high temperature:** any new high temperature where your child feels hot to touch on their chest or back (you do not need to measure the temperature)
 2. **a new continuous cough:** coughing a lot for more than an hour, or three or more coughing episodes in 24 hours
 3. **a loss of, or change in, sense of smell or taste:** a noticeable loss of smell or taste or things smell and taste different to normal
- Your child **does not need a test** if they have a runny nose, are sneezing or feeling unwell but do not have a temperature, cough or loss of, or change in, sense of smell or taste because these are not normally symptoms of coronavirus.
- If you are unsure about whether to get a test, please check the official list of symptoms on the NHS website, which is reviewed regularly:
www.nhs.uk/conditions/coronavirus-covid-19/symptoms/
- Only the person with symptoms should get a test. You do not need to get a test for anyone else in the household unless they also have any of the three symptoms listed above. All members of the household need to self-isolate whilst waiting for the test result.

- If the person with symptoms' test comes back positive, other members of their household should continue self-isolating for 14 days and **only get a test if they develop coronavirus symptoms.**
- If a pupil in a class or bubble tests positive for coronavirus, anyone who is advised to self-isolate **does not require a test unless they subsequently develop symptoms.**

No one else in the same class or bubble as the symptomatic person needs to take any action unless advised by the school. Schools have detailed guidance and access to a Department for Education and Public Health England helpline for advice and support.

Contacts of a person who has tested positive must follow the guidance carefully and in full, which means they must stay at home for 14 days. This is because it can take several days following contact with an infected person before an individual develops symptoms or the virus can be detected. Students should only book a test if they get symptoms.

The NHS has produced some guidance to help parents understand when their child can and cannot attend school which you may find useful: <https://www.nhs.uk/live-well/healthy-body/is-my-child-too-ill-for-school/>

It is vital for children's learning and future opportunities that they are able to return to school and college. It is therefore vitally important that all we work together and do our bit to make this possible.

Yours sincerely,

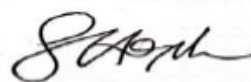

Professor Viv Bennett CBE

A NEW MESSAGE FROM PETER SYMONDS COLLEGE

20, 21 & 22
OCTOBER
2020

OPEN EVENING UPDATE

It's that time already! With our new Lower Sixth settled into College and making a great start, our application system is now open for students thinking of joining us in September 2021.

We are optimistic that we will be able to invite you to the College for the October Open Evenings, subject to Government guidelines and advice and with a number of measures in place to ensure that we can welcome you onto campus and keep you safe.

These new measures include:

Open Evenings broken down into two sessions; 5.00–6.30pm and 7.00–8.30pm.

All visitors are required to book online to limit the number of visitors for each session, at www.psc.ac.uk. Booking will be possible from 7 October 2020.

Visitors must book to speak to teachers of our larger subjects where demand is always high. Booking will be through the website.

Students are requested to attend with just one parent or guardian.

All visitors must respect social distancing rules.

All visitors must wear a facemask or visor, unless they are exempt.

Staff from all our subject areas will be attending all the open evenings. You will be able to walk around the campus and visit classrooms to find out more about the subjects we offer. All our support departments will be represented, so any transport, student support, careers, admissions, boarding, study support and enrichment queries can be answered during the sessions.

If you are unable to attend or should the guidelines change, short presentations from the Principal, all subject and support departments will be available on our website from 19 October.

If you have any queries regarding these Open Evenings or Admissions in general please do not hesitate to call or email the Admissions office.

admissions@psc.ac.uk
