# Weekly Newsletter

Issue 230: Friday 2nd October 2020

## Message from The Editor, Miss Barker

We had a brilliant Open Evening this week! Thank you to everyone who attended and were able to safely see our school in action. It was lovely to meet

you all and we hope that those that were unable to attend, enjoyed our virtual Open Evening via videos on our Facebook page and on our website. Also a big thank you to all of the staff and students that made the evening happen! We are looking forward to our Live Q&A session with our Headteacher on Tuesday 6th October at 5:00pm on Facebook.

Recently we received the news that we are a **Music Mark School for 2020/21!**

'Congratulations on becoming a 2020/21 Music Mark School! Your school has been nominated and financially supported by your local Music Service/Hub to become a Music Mark School. They have recognised the value that you place on music and asked us to add you to the growing number of Music Mark Schools.

We would like to thank you for all the hard work you and your colleagues do to ensure that pupils at your school are able to access and engage with a high-quality music education. Your dedication to offering and delivering a broad and balanced curriculum is both welcomed and celebrated.' **Music Mark**

Please find our Music Mark Certificate on page 10 of this newsletter.

## Sport & Exercise - Run Warblington, Run!

This week the PE Department present...

**Mrs Wilkins, Food Technology Teacher & Mrs Connolly, Cover Supervisor**

Mrs Wilkins has recently completed the couch to 5K and enjoys running along the beach as you can see in the photo below. Mrs Connolly is training for a virtual running event, the Marine

Corps Marathon Trifecta which consists of running a 10K, Marathon and a 50K. She is also running the London Marathon for the Fire Fighters Charity however as it was unfortunately cancelled due to Covid 19, she is waiting to find out when she will be taking part. Here is a photo of Mrs Connolly after the Marine Corps Marathon in 2017 with her medal.

## Interested in a Career in Law?

The 2021 editions of The Beginner's Guide to a Career in Law and The Law Apprenticeships Guide have just been published and copies are now available to you free of charge.

Both booklets are essential reading for aspiring lawyers of school age and those who advise them. Even while at school, students are making decisions that will impact directly on a potential legal career; in particular, what degree to study (law or non-law) or whether to take a degree course at all. If candidates do not have this key information, their hopes could be dashed.

**The Beginner's Guide to a Career in Law** looks at how lawyers recruit, what they look for in candidates, what candidates need to do when, and how they can maximise their chances, both immediately and as time goes by.

**The Law Apprenticeships Guide** focuses on the different types of law apprenticeship available, the key skills required, and the pros and cons of undertaking an apprenticeship or going to university, with case studies from those who have done it.

For direct links to the two books above please visit the Careers section on our school website

## Havant Repair Café: Dr Bike

Dr Bike sessions sponsored by Repair Café and Havant Borough Council are now over but it was great to see some of our Year 10 students there getting their bikes checked/repaired. It was a brilliant free service for people in Havant and it means one of our staff members is now ready to cycle for miles after her bike was checked on Saturday. Thank you and hopefully there will be more sessions in the future. **Mrs Rason, Science**

## Havant Borough Tree Wardens

Havant Borough Tree Wardens have organised two more Tree and Hedge Seed Collecting Walks. The next one is on Sunday 4th October at 11:00am on Hayling Island. See their Facebook Page for more information @HBTreeWardens. Email [hbctreewardens@gmail.com](mailto:hbctreewardens@gmail.com) to book your place.

## Pen Recycling

We are collecting used pens of any type for recycling. Ball point pens, markers, highlighters... any type of pen! We will be passing them onto Recycle Hayling who are on a mission to collect 15kg of used pens for recycling. Another way we can try and help the planet and reduce waste!

## New Trees for Warblington

Our trees funded by the Woodland Trust will be arriving at the start of November and we are excited to get this project started. We have had a lot of interest from students who would like to become Junior Tree Wardens. Planting trees reduces the amount of carbon dioxide being emitted into the atmosphere and also helps to reverse species loss.

Thank you to Mr Whittle our Site Manager and also to a Parent who works at Norse for preparing the planting site for us. We are just waiting on ideal weather conditions to prepare the ground ready for our trees to arrive. Look out for updates in our newsletter and on social media.

**Mrs Rason, Science**

The team at GCSEPod are thrilled to be collaborating with Cameron Parker, a renowned motivational speaker for schools and colleges to bring students a free webinar to inspire them to succeed. Including practical tips on how to use GCSEPod for revision and study.

On Tuesday 6th of October 2020 for 60 minutes students will be transported into a fast paced and high energy webinar which will coach them on:

1. How to prepare for the new school year, so that you can get the grades you deserve.
2. How to get motivated, when you really can't be bothered.
3. How to bounce back from lockdown with confidence.
4. How to use anxiety and stress to your advantage.
5. How to use school, so that you CAN have the future you want.

Students can remain anonymous and parents can watch with them as Cameron makes goal setting, study strategies and building confidence seem easily attainable.

“Cam was great at tailoring his work with the group to suit their needs and was so relatable to the pupils and it was clear they were captivated.”

Join us

6th of October  
at 6pm

You'll find out how you can achieve the following using your GCSEPod subscription:

- How to get motivated, when you really can't be bothered
- How to bounce back from lockdown with confidence
- How to use anxiety and stress to your advantage
- How to use school, so that you CAN have the future you want
- How to prepare for the new school year, so that you can get the grades you deserve

This 60 minute webinar is exclusive to GCSEPod users

We want students to take control of their future and understand that they are not alone in feeling anxious and demotivated, thousands of students across the country feel just like them and the webinar is a chance to take action and responsibility

*"I just want to thank you! I ended up getting my GCSE results and considering my uncle passed away while I was taking them I still got the grades to get me into travel and tourism at college. I am really happy, it is all down to you so thank you for your support."*

#HelloYellow

LET'S  
**BRIGHTEN**  
UP A SCHOOL DAY

Friday 9th October 2020

Wear something yellow for a £1 donation

[www.youngminds.org.uk](http://www.youngminds.org.uk)

## Why are we wearing yellow?

We've all been going through a difficult time, so wearing yellow today is a way of showing solidarity with young people and helping them know that they're not alone.

Looking after our wellbeing has never been more important and too many young people still feel ashamed to open up about how they're feeling.

The more people who show they care, the more comfortable young people will feel about talking to someone if they're struggling.

On Friday 9th October we will be supporting **#HelloYellow** and raising money for Young Minds. To take part and help us raise money for this charity please wear something yellow on this day for a donation of £1. This means that you can change an item of your uniform for a yellow item, you must still wear the rest of your uniform. For example, a shirt, cardigan, tie, scarf, socks, face mask... Thank you in advance for your support! **Dr Lansley, Assistant Headteacher**
