Issue 231: Friday 9th October 2020

Message from The Editor, Miss Barker

Next Week is Week B

Today we wore something yellow to support #HelloYellow to raise money for Young Minds, a brilliant charity which helps young people with mental health. For more information, visit their website www.youngminds.org.uk. It was lovely to see everyone getting involved and brightening up the school by changing an item of their uniform for something yellow. Thank you to all of the staff and students that took part. Mental health is such a big issue and increasingly with the pandemic and effects of lockdown but charities like Young Minds are here to help. Remember you are not alone. Saturday 10th October is World Mental Health Day.

Monday 5th October was World Teachers Day! Say 'Thank You' to a teacher this week with #ThankATeacher and send them a free e-card using the link below. Who has inspired you, gone that extra mile, helped you achieve... its time to say 'Thank you'! Complete the online form before Monday 12th October to send an e-card to your teacher.

Sport & Exercise

This week the PE Department present... **Mr Clinton, Science**

Mr Clinton enjoys skiing and as a teenager used to race slalom all over the UK on dry slopes. He won many awards for his racing which included receiving free equipment. Through his racing he was offered a job working for PGL in France and later Austria as a ski instructor. His favourite ski resort is Zell-Am-See in Austria. He went onto work as an instructor at a dry slope in Southampton. All this instructing with a sport that he loves pushed him towards a career in teaching and here he is today as a Science teacher at Warblington School.

Havant District Schools FA

'I would like to say a massive congratulations to Henry Y (Year 8) for his incredible performance last Saturday. This season we introduced spectators Man of The Match award. This is where parents, scouts and other spectators vote for their player of the match. On Saturday 3rd October, Henry scored 4 fantastic goals to see the U13's win against Southampton District Schools FA 5-3. He was voted Man of The Match by a fine margin. We would like to congratulate Henry again and hope for more man of the matches to come for him and the two other players from Warblington school.'

Alfie Morel, Havant District Schools FA Secretary

Year 7 Cell Model Homework

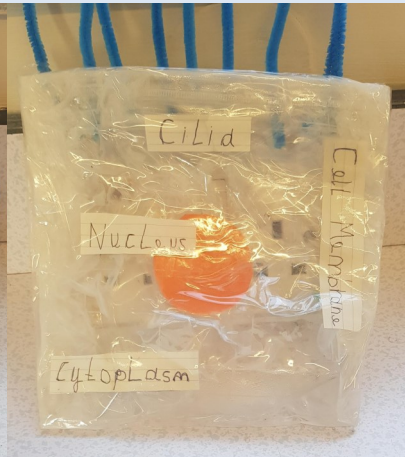

In Science this half term, Year 7 have been learning all about cells. For their homework they were asked to produce a model of a cell for the Science Museum. Here are just a few of the wonderful models created by our Gateway Group. They are currently taking pride of place in S6, and I am looking forward to seeing what they produce for their homework in the coming weeks. Well done to you all!

Mr Strzelec was very lucky last weekend to be able to ask Sir David Attenborough a question. He chose to ask:

How do you promote sustainability in an increasingly throwaway society?

Sir David replied by saying ‘Amplify the message of the film, tell your friends, tell everyone you meet.’

David Attenborough ‘A Life on Our Planet’ available on Netflix.

Year 7 Medical

Please make sure you return your child's green medical form to school as soon as possible. This is vital information that the school requires. Please contact the school if you need a new form or ask your child to collect one from Reception.

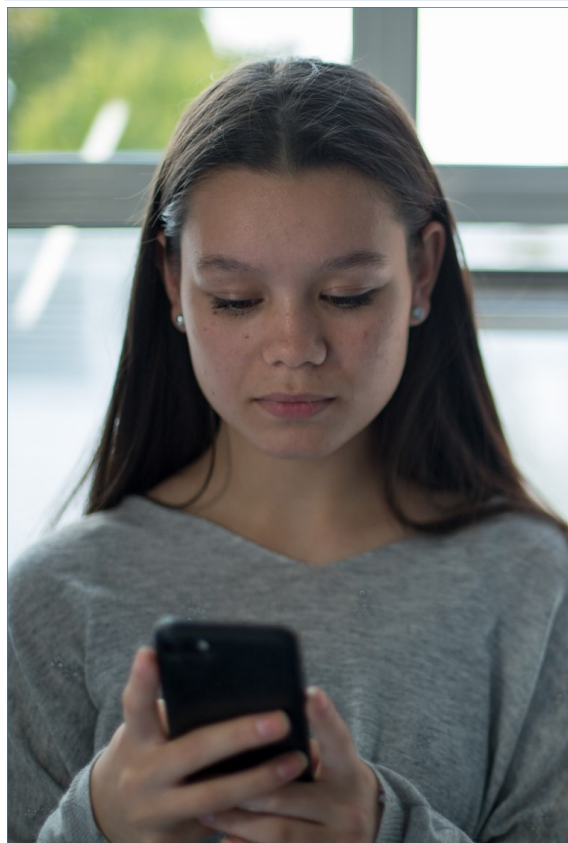

Year 7 will be receiving a free flu vaccination administered by the School Age Immunisation Team on Thursday 19th November 2020. You will have received an email with instructions on how to complete the online consent form (email sent on 22.09.20 and 08.10.20). If you don't complete the online consent form then your child won't be able to have the flu vaccination.

Autumn Colours of Warblington

Autumn is here with the leaves changing colour, weather getting colder and evenings getting darker. There are so many beautiful things about this season. Take care in the darker evenings and making your way to and from school in the ever changing weather conditions.

Young Person's Safe Haven is reopening

From the 6th of October young people aged 11-17yrs living in the Havant Borough can access one-to-one, face-to-face support sessions. These can include; access to crisis support, self-harm/suicide safety planning, healthy coping strategies, wellbeing topics, mindfulness and signposting.

Please book an appointment on 0300 030 1580 or email cypsafehaven@easthantsmind.org between 5-8pm Tuesday, Wednesday and Thursday. Last appointments at 7.30pm. Same day appointments are likely. However, we may ask you to come in the following evening.

We are still offering telephone support on the above freephone number for those unable to attend in person.

In order to keep our staff and young people safe, staff will be wearing appropriate PPE and adhering to strict social distancing, safety and cleaning protocols. For initial visits, we ask that only one other person accompanies the young person attending, if needed. Please do not attend if you or anyone in your household is unwell.

Please note this phone line and email address will not be monitored outside of these hours.
