

SEPTEMBER NEWSLETTER

Newsletter

September 2020

INTRODUCTION

My name is Maisie Holder and I am the Outreach and Events Co-ordinator at Fareham College. This is your first newsletter of the year and we hope that you find it useful and informative.

Throughout the academic year you will receive six digital newsletters altogether, covering a range of subjects and updates which we hope will be of interest to you.

We wish you all the best in Year 11 and look forward to meeting you if we haven't done so already.

Bishopsfield Road campus

CEMAST campus

WHY FAREHAM COLLEGE?

Fareham College offers a range of courses across our three state of the art campuses. Our Bishopsfield Road campus delivers an extensive range of courses including Art and Design, Photography, Fashion, Graphic Design, Performing Arts, Music, Hospitality and Catering, Hair and Beauty, Travel and Tourism, Education and Childcare, Health and Science, Sport, Uniformed Services, Construction, Business, Computing and Digital industries.

All of our Automotive, Engineering and Manufacturing programmes are delivered at the College's CEMAST campus, our Centre of Excellence in Engineering, Manufacturing and Advanced Skills Training, located in Lee-on-the-Solent.

Neighbouring CEMAST, our Civil Engineering Training Centre (CETC) offers a range of different courses; from one-day training sessions through to Level 3 Apprenticeships.

CETC campus

PERSONAL TOURS

In light of the current situation caused by COVID-19, we are now offering personal tours across all of our campuses; all you need to do is visit our website and book your chosen date and time! The tours have been introduced to ensure that you still have the opportunity to see our amazing facilities, whilst keeping you safe and adhering to government guidelines. To book onto your tour, please just click on this link fareham.ac.uk/personal-tours

EVENTS

Again due to the current situation caused by COVID-19, we are delivering our open events online for the foreseeable future. Head over to our website for more information at fareham.ac.uk/online-open-event

Our next online open events are taking place on Wednesday 7th October from 3pm until 7pm and Thursday 8th October from 4pm until 8pm. You will be able to ask questions using our Live Chat service, as well as enjoy our new virtual tour of our different campuses.

WHAT DOES THE COLLEGE LOOK LIKE?

We hope that you book in for a tour so that you can see our state of the art facilities for yourself, but in the mean time I have included a link for you so that you can see our recent drone footage of each campus - just click on the screen below.

We have also created a series of short videos about the different faculty areas for you to view. These videos give you even more of an idea of what our campuses look like, and will give you the opportunity to listen to what some of our students say about us - just click on the screen below.

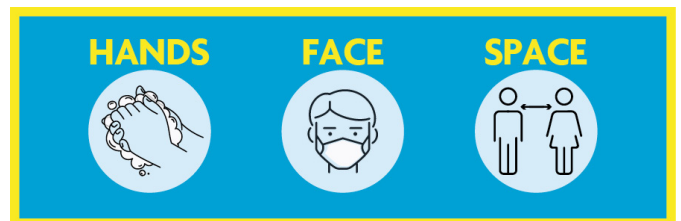

COVID-19 UPDATE

All of our students are now back on campus, however we have staggered start times and have introduced blended learning, where students undertake some of their lessons remotely and some on campus.

Students are required to wear masks inside all College buildings, in the corridors and in social spaces. Hand sanitiser stations are located around each of our campuses. Our students have also been given mini personal hand sanitiser bottles, a water bottle and can purchase washable masks from reception.

We want you to know that the safety of our students, staff and visitors is our top priority, and we have procedures in place to ensure guidelines are followed. For more information on this, please click on this link fareham.ac.uk/news/keeping-you-safe-at-fareham-college.

Our Careers Team have protective screens, masks and wear a visor. They can be contacted at info@fareham.ac.uk should you have any concerns about applying and coming in for your interview.

FAREHAM COLLEGE ANNUAL AWARDS 2019/20

Each year at Fareham College we hold an Annual Awards ceremony for our students. We have various categories whereby students are nominated by staff members, our winners then receive a cash prize and have their name engraved on their trophy.

This year rather than holding a physical ceremony, we held an online event through Facebook. We shared video clips and photos of our award winners, and still managed to celebrate our students' fantastic achievements.

We hope that you found this first newsletter interesting, and we hope to see you soon at our open evening or personal tour. We are now taking applications for 2021 entry, you can apply by clicking [here](#).
