Issue 237: Friday 27th November 2020

Message from The Editor, Miss Barker

Monday 30th November is another Inset Day and the school will be closed to students. We hope they enjoy their long weekend and the chance to catch up and work from home. When they come back on Tuesday, it will be the start of December! The festive season is upon us!

Key Dates for the Autumn Term: Week B

Monday 30th November Inset Day - School

Year 8 Sports Leaders

We are very proud of our Year 8 Sports Leaders this week as they have achieved their Bronze and Silver Awards! Well done to you all!

This is an award they have been working towards with Pompey in the Community. Keep up the hard work!

Mrs Griffin, PE

PE Kit Donations

Our PE Department have been kindly donating spare PE kit that they have to students that are unable to afford it. They are now asking for your help to keep supporting students by donating any Warblington PE kit that you have that your child no longer needs. Please bring any donations to Reception or ask your child to give them directly to the PE department. Any and all Warblington kit donations will be greatly appreciated, especially leggings, tracksuit bottoms and hoodies for the colder winter months. Thank you for your support!

PE Star of the Week

Jack B Year 9 - Jack is PE Star of the Week for his outstanding effort in all of his PE lessons. Jack is also helpful, polite and respectful.

Sport & Exercise

Now it's the turn of our Sports Council to showcase their sporting interests and exercise. Each week we will feature a different member of our Sports Council. First up...

The PE Department present... **Rees J Year 10**

Rees has been a part of the Sports Council for 3 years now. He has been a fantastic ambassador for Warblington School featuring in The Portsmouth News where he outlined the impact of PE on his education. Rees regularly attends extra-curricular clubs and is currently completing his Junior Sports Leadership Award to volunteer within the local community.

Outside of school Rees is a keen Rugby player, representing Havant Rugby Club for almost 10 years! Rees also enjoys staying fit and active by regularly competing in long distance running events.

Here is Rees in action!

Havant & South Downs College Open Event

We will be holding an Online Open Event on
Saturday 12 and Sunday 13 December

During this weekend all of our subject videos will be on our website on demand to view. This will be a great opportunity for students to explore our courses and meet some of our lecturers. Students can also access our 360 tours and video tours of our campuses to try and get the best feel for the campus they can. More information can be found on our events page: <https://www.hsdc.ac.uk/events/hsdc-online-open-event-all-campuses/>

Rowan Tree Factsheet

Bane of witches, diviner of the future and producer of jam, Rowan is an elegant tree with a mystical history. Its leaves and berries are a favourite for wildlife in woods and towns alike.

Quick Facts

Common Names: Rowan, Mountain Ash, Witch Wiggin Tree, Keirn, Cuirn

Scientific Name: Sorbus Aucuparia

Family: Rosaceae

Origin: Native

Mature trees can grow to 15m in height and can live for up to 200 years. The bark is smooth and silvery grey, and leaf buds are purple and hairy. Look out for: its 5–8 pairs of serrated leaflets which are distinctive.

Where To Find Rowan

Native to cooler regions of the northern hemisphere and most common in the UK in the north and west, it often grows in high-altitude locations.

It is commonly found in the wild, particularly in the highlands of Scotland, but it is also widely planted as a street or garden tree.

Value To Wildlife

The leaves are eaten by the caterpillars of a number of moths, including the larger Welsh wave and autumn green carpet. Caterpillars of the apple fruit moth feed on the berries.

Flowers provide pollen and nectar for bees and other pollinating insects, while the berries are a rich source of autumn food for birds, especially the blackbird, mistle thrush, redstart, redwing, song thrush, fieldfare and waxwing.
