Issue 238: Friday 4th December 2020

Message from The Editor, Miss Barker

The advent calendars have been started, the Christmas face masks are on, December is here! Unfortunately this year due to Covid 19, we are unable to have our Christmas dinner like we normally do all together in the hall as a school community. This year our Christmas dinner will be served on Wednesday 16th December but it will be served at lunchtime as normal. There is no need to pay in advance, just make sure your child's lunch account is topped up if they would like Christmas dinner on this day, normal meal and meal deal prices will apply. Wednesday 16th December will also be Christmas Jumper Day. Staff and students can wear a Christmas jumper in addition to their normal school uniform for a £1.00 donation to Save the Children. This year we will celebrate carefully to keep everyone safe!

Key Dates for the Autumn Term: Week A

Wednesday 16th December	Christmas Jumper Day & Christmas Dinner Day
Friday 18th December	Last Day of Term (Timings TBC)

Year 11 Junior Sports Leaders

Molly W, Tai N and Rhiannon G are the first three students to pass the Junior Sports Leadership Award with Pompey in the Community after successfully delivering a session on Tuesday! We are really proud of these individuals and look forward to them working in the local community.

Mrs Griffin, PE

PE Star of the Week

Charley W Year 7 - Charley has been an absolute superstar since joining Warblington School. She is always enthusiastic in lessons and displays an excellent attitude consistently. Charley has been really enjoying her football and dodgeball this term and is always volunteering to support her teacher and peers with the organisation of lessons. Well done!

Bronze Award for Young Carer Support

Warblington School has been given a Bronze award for our work to make sure students do not miss out on an education because they are Young Carers.

The Young Carers in Schools programme helps schools improve outcomes for Young Carers and celebrates good practice through the Young Carers in Schools Award. Young carers are responsible for emotional, practical or physical care for a parent, sibling or other family member who has a physical disability, mental health issue or substance misuse issue.

To achieve the Bronze Award we demonstrated that we support Young Carers in many ways, including weekly meetings with Havant Young Carers.

If you feel that your child is a Young Carer who has not been identified please contact Mrs Copeman on l.copeman@warblingtonschool.co.uk. **Mrs Copeman, Home/School Support Worker**

Well done to Mrs Copeman for all her hard work with our Young Carers which has led to the school receiving this award!

Mr Crowe, Geography & History

Sports Council Sport & Exercise

The PE Department present... **Rhiannon G Year 11**

Rhiannon has been a valued member of the Sports Council team for 3 consecutive years. Rhiannon has consistently supported the PE department, participating in fixtures and coordinating events such as Sports Week and Federation Competitions. Outside of school Rhiannon has played cricket for Havant for over 7 years and has represented Hampshire which is a fantastic achievement. Despite dedicating numerous hours to extra-curricular PE, Rhiannon also demonstrates the same commitment to her studies; achieving the highest grade possible in her most recent PE exam.

Christmas Cards

Our students have been creating Christmas cards during tutor time and at home to be sent to residents of local care homes. Thank you for your beautiful cards and hard work!

Crab Apple

Quick Facts

Common Names: Crab Apple

Scientific Name: Malus Sylvestris

Family: Rosaceae

Origin: Native

What Does Crab Apple Look Like?

The brown and pointed leaf buds form on short stalks and have downy hair on their tips. These are followed by glossy, oval leaves which grow to a length of 6cm.

Crab Apple flowers can range from pure white to deep pink and their apples can be red or yellow.

How To Look After A Crab Apple Tree

Crab Apple trees need very little pruning. Remove dead, diseased and damaged twigs and branches in spring and remove suckers as they appear. Pruning Crab Apple trees after the end of June significantly reduces the number of flowers and fruit in the following year.

Uses Of Crab Apples

The trees are often planted in commercial orchards as their long flowering period makes them excellent pollination partners for cultivated apples. The fruit can be roasted and served with meat or added to ales or punches. More commonly, it is used to make Crab Apple jelly and as a natural source of pectin for setting jams.

The pinkish wood has an even texture and makes good quality timber, lending itself particularly well to carving and turning. It also makes a sweetly scented firewood.
