Weekly Newsletter

Issue 244: Friday 29th January 2021

Message from The Editor, Miss Barker

A huge thank you to Mrs Barker, Managing Director at Centurion Scientific and a Warblington Parent for donating laptops to the school for use by students who don't have access to IT at home. Thank you for this generous donation and thinking of our students!

Wednesday 27th January was Holocaust Memorial Day and Havant Borough Council premiered a brilliant service with the theme 'Be the Light in the Darkness'. It was a lovely service with contributions from people across Havant including local secondary schools. Well done and thank you to everyone who took part especially to Oliver B for his reading, Irina U, Emily B, Savannah J and Albie K for their artwork and Mrs Rason for organising our contributions. If you missed the service, you can watch it on the Havant Borough Council Facebook page or by following links on our school Facebook and Twitter pages.

Year 7 Food Preparation & Nutrition

Year 7 have been looking at Focaccia Art in their lessons and Leyla S created this beautiful focaccia that looks amazing and I bet tasted fantastic too! Well done Leyla!

Mrs Wilkins, Food Technology

Race to Tokyo House Challenge

Send your entries to Mr Chaplin on g.chaplin@warblingtonschool.co.uk

Please make sure your entry is in miles and that you include your house when emailing in.

A huge well done and thank you to all the entries we have had so far! Keep it up!

The Race to Tokyo Leader Board

House	Mitchell	Norris	Paxton	Stowe
Miles Completed	260.4	435.7	522.1	172.2

Warblington Environmental Society

Art & Sensory Garden

This week we have made a start on the school's Art and Sensory Garden. The frozen conditions did make progress slow however beds have been dug ready for raspberries and the fruit trees pruned. Hopefully if the weather stays on our side, we will be able to start planting soon.

We are also starting to plan designs for the walls outside Tech 3 with the help of Mrs Phillips from Art.

'This week, a few Year 11 students have been helping with some gardening jobs in what will become the Art and Sensory Garden and Outdoor Learning Area. This is in the grassy area behind the Tech block. Mrs Rason, Mrs Phillips and Mrs Devine have lots of ideas brewing for what will be a very exciting transformation! If you are interested in helping with the gardening side (we are keen to set up a Warblington School Gardening Club) or the Art side (we are going to be creating some beautiful murals on the back wall) or want to know more, please get in touch with us.' **Mrs Phillips**

Wildlife Watching

Mr Barnard has swapped his weatherman hat from last week to a pair of binoculars and has been doing some bird watching in the school grounds. He has seen Wagtails, Finches and a Great Spotted Woodpecker in our wildlife area.

Keith the Kestrel

We would like to introduce Keith the Kestrel to you, named by the PE Department as he frequently perches on the posts by the tennis courts. Next time you are in school or passing by, take a look and see if you can spot Keith.

Well done everyone! Keep up the hard work!

Mrs Rason, Science

Year 7 MFL House Challenge

BREAKING NEWS!!!

DEADLINE EXTENDED!

Due to a bit of confusion over the email address for your Treasure Hunt submissions, we've decided to extend the deadline until **3:00pm on Monday 1st February**.

That gives you the weekend to take your photos and create your collages. Remember you can make your collage any way you want to – in PowerPoint, Word, Publisher or using glue and scissors!

Send your entries to:

treasurehunt@warblingtonschool.co.uk

Remember to include your name and what house you are in!

You get Pride Points for submitting your work and the possibility of up to an extra 50 points for the best one!

This is how the house leader board looks at the moment:

Year 7 MFL Treasure Hunt House Challenge Leader Board			
Paxton	Stowe	Norris	Mitchell
1st	2nd	3rd	4th

But it is so close! Get your entries in! Mr Ashcroft, MFL

Year 7 Drama

Year 7 were asked to create Top Trump cards as part of their drama project based on film, TV or computer games. Here are Archie H's amazing Top Trumps with a high quality finish too. Well done on your outstanding work! They are brilliant!

Mr Hibbard, Drama

Year 11 Art

A digital response to the work of Hannah Hoch by Sophie S. Take a look at Sophie's piece below using Hannah's work as inspiration. Brilliant work using a different medium!

Mr Whitlock, Art

Year 8 PE

Lily D has created her own Nando's Fitness Challenge. Why not give it a go yourself!
What heat would you try or work your way up? **Mrs Griffin, PE**

The Nando's Fitness activity!

	Plan-ish	Lemon and herb	mango and lime	medium	Hot!	Extra Hot!
1.	30 star jumps	30 crunches	32 mountain climbs	30 squats	1 minute plank	15 Russian plank twist
2.	30 lunges	20 squats	30 burpees	20 side planks	30 glute bridge	20 pushups
3.	20 donkey kicks	30 bicycle crunches	20 leg raises	30 high knees	10 bridges	clapping push ups
4.	30 side leg raises	20 shoulder taps	20 high knees	30 sec elbow plank	close grip push up	30 sec wall sit
5.	10 squats	20 mountain climbs	30 jumping jacks	40 cross jacks	20 seconds frogged	20 sec saucer jump turns
6.	10 side lunges	30 Russian twist	20 jump squats	20 second plank	20 split squats	60 bicycle crunches

Year 7 Music

I'm really proud of all the effort KS3 students are putting into completing practical music tasks whilst we are working from home – especially those students who are having to be innovative with their learning without our music equipment! Well done everyone!

Here is Leah S using IT to play music! Visit our Facebook or Twitter page to see a video of her in action! **Miss Blundell, Music**

Free Online Books

<https://library.thenational.academy/>

Oak National Academy Virtual School Library allows students to download books to read each week.

<https://www.worldofdavidwalliams.com/>

David Walliams's website has free books and a reading at 11:00am each day.

YouTube also has many audiobooks to listen to for free. Just type 'audiobook' before a book title to find an audiobook version.

Mrs Brown, English

Year 7 Spanish

Brilliant work by Leah S! Well done! **Mrs Turner, MFL**

Milk Bottle Top Collection

Keep collecting your milk bottle tops for the Solent MS Therapy Centre during lockdown and save them ready to bring into school when we can safely return.

Thank you for your support!

Maths Help Desk

The Maths Department are running a LIVE Maths Help Desk through Microsoft Teams to give students additional support from a Maths teacher for help with home learning.

The Help Desk will be available from 9:00am - 3:00pm Monday-Friday (2:00pm on Tuesdays) where students can be helped through specific problems or a quick recap of a topic.

A link will be sent daily on ClassCharts to all students.

Miss Horne & Miss Spooner, Maths

Year 9 PE

Here is Jess T in action completing her PE Home Learning. Well done Jess! **Mrs Griffin, PE**

Year 10 Art

A fantastically drawn composition of Japanese food by Arleah W in Year 10.

Well done!

Mrs Phillips, Art

Year 11 Science - Waste Water Treatment

In Science Year 11 have been learning about waste water treatment. They have learnt about the different stages which can be seen in Megan E's notes below.

Stage 1- Screening is done to remove large bits like bags, twigs and grit from the sewage.

Stage 2- Produces sewage sludge and effluent.

Stage 3- **Sludge** is broken down by bacteria in a different process called **anaerobic digestion**, this produces lots of **methane gas** which can be used as an **energy source** to power the plant or neighbouring homes.

Stage 4- **Effluent** is removed and mixed with bacteria in the presence of lots of oxygen, the bacteria **aerobically digest** organic matter in the effluent including other microbes. / This is ready to be returned to rivers/ streams after some testing.

Then they had to use the Portsmouth Water website to find out about the 3 P's. Take a look at the screen shot below to see what Poppy M found out. Brilliant work everyone!

3P's – What are they?

It is important to make sure only the 3P's go down your toilet – Pee, Poo and Paper, as everything else like nappies and fat can cause blockage to the pipes and very nasty flooding incidents.

SUN UPCOMING CPD

Free Parent/Carer Workshops from SUN

We are writing to you to let you know about some online opportunities that may be of interest to you. The Southern Universities Network (SUN) provide higher education activities to target schools and colleges in Hampshire, Dorset and the Isle of Wight. In partnership with Twenty Twenty Learning, SUN is funding two online workshops for parents and carers.

Each workshop is one hour and will be led by Dr Felicity Wallace, a HCPC registered Educational and Child Psychologist with over 10 years' experience working in education. She has previously worked as a secondary school teacher, in educational charities and has an MA in Educational Leadership.

The workshops are funded by SUN and are therefore free for you to attend on a first-come-first-served basis. If you do sign up to these workshops, please ensure that you attend as there are a very limited number of places. If you can no longer make a workshop, please let the organisers know so that your place can be offered to others.

Please see below for dates and booking information:

Supporting Your Child With Home Learning

This session will focus on how best parents and carers can support their child with learning at home or completing homework at home. It will offer strategies and ideas to keep home learning a stress-free, positive and productive experience.

Tuesday 2 February 2021 4-5pm - Spaces Available

Supporting A Child With Emotional Needs At Home

This workshop will define what is meant by 'emotional needs' and share different ways in which these can be understood. It will offer strategies and ways for parents/carers to work with their child to ensure they feel heard, supported and can enjoy positive relationships at home.

Thursday 11 February 2021 4-5pm - Spaces Available

Tuesday 2 March 2021 4-5pm – Spaces Available

Booking
