School

Growing minds, successful futures

12 March 2021

Dear Parents / Carers

I will keep this update very brief but it is just to say thank you for your incredible support in keeping the school safe following our reopening.

I am pleased to say that mask wearing across the school has been incredible. All students have acted responsibly and have been wearing their face coverings indoors and in classrooms. We know this is uncomfortable and really challenging for some students, but everyone has played their part and adhered to the rules. As stated by the government, this will be reviewed at Easter and we will communicate any changes to you.

I am also delighted to say that the Covid Testing Team have worked their magic this week, testing over 95% of the population. Again, the attitude of the students has been exemplary and it has been clear that the second round of testing has been much quicker. For their third test, our team will be training the students on how to process the test, so they will get an opportunity to work through the whole testing regime in preparation for them receiving their home testing kits.

I also need to wish year 11 good luck for their PPE Exams which began today with Science and English. The PPE timetable is on our website here:

<https://warblingtonschool.co.uk/year-11-ppe-timetable/>

Finally, thank you for the year 10 parents who have responded to the [parent questionnaire](#). This will be open until Monday, so if you haven't filled in your views, there's still time. I have to say, I have been overwhelmed by the positive responses we have received so far, so thank you!

The year 9 questionnaire will be available following parent consultation evening on 17 March and you can book your appointments here: <https://warblington.schoolcloud.co.uk/>

Yours sincerely

Mr M Hartnell  
Headteacher
