Growing minds, successful futures

8th March 2021

Dear Year 10 Parent / Carer

This week has been a busy one, and I just wanted to write to say thank you for your support both with the covid testing and during parent's evening.

Parent / Carer View

As I mentioned before, after each parent consultation evening, we will be inviting you to give us feedback regarding your child's experience at Warblington. These questions are similar to those which Ofsted would ask during an inspection and gives us a chance to see your views and see what we are doing well and those areas we need to improve. There is a box at the end to put your contact details if you wish us to contact you in relation to any of the points you have raised.

The link to the questionnaire is here: <https://bit.ly/3rjDuUm> and will be open until 12th March 2021.

Covid Testing

We know a very large percentage of you have taken up the offer and consented to your child testing themselves using the lateral flow testing in school. If you haven't done so already and want your child to be part of this, two links to the consent forms are below, as we know some of you have experienced problems accessing these. Both forms are the same and you only need to fill in one. If you have already done so, there is no need to fill in again.

Form 1: <https://bit.ly/3sR0sTe>

Form 2: <https://bit.ly/2Op5dEA>

Once students have completed their three tests in school, they will be issued with a testing kit which they can do at home. This should take them up until the Easter break, and we are hoping that the saliva testing will be in place for the beginning of the summer term.

Once again, thank you for your support.

Yours faithfully

Mr M Hartnell
Headteacher
