Issue 259: Friday 11th June 2021

## Message from The Editor, Miss Barker

We hope you all had a wonderful Half Term holiday! The weather was definitely on our side. As you can see from the Key Dates to the right, this Half Term is going to be a busy one!

All students from Year 7 to 10 will complete some form of end of year tests. Year 7 and 8 will complete these in their classes whereas Year 9 and 10 will complete theirs in the Gym in exam conditions. Year 10 will be completing a full set of PPEs to prepare them for Year 11.

We also have Transition events in various forms for our Year 6 students coming to Warblington in September, full details will be emailed to Parents/Carers directly.

## Key Dates for the Summer Term: Week B

Monday 21st June -	Year 10 PPEs
Friday 9th July	Year 9 End of Year Tests
Thursday 24th June	Year 11 Leavers BBQ 4:00pm - 7:00pm
Saturday 26th June & Sunday 27th June	DofE Assessed Expedition
Friday 2nd July	Inset Day - School Closed to Students
Monday 5th July - Friday 9th July	Transition Days (Invites will be sent out soon)
Tuesday 13th July	Year 6 Transition BBQ 4:00pm-6:00pm
Tuesday 20th July	Year 6 Transition LIVE Q&A Session (Time TBC)

## Duke of Edinburgh Bronze Award Day Walks

On the 29th and 30th May, three groups successfully completed their practice day walks with Ridgeline Adventures between Rowlands Castle, Buriton and Queen Elizabeth Country Park. All participants coped well in the warm conditions and demonstrated good navigation skills and team work! A huge well done to all of our students that took part!

The Assessed Expedition will run over the 26-27th June weekend. Details and timings will be issued shortly.

**Mr Crowe, DofE Manager**

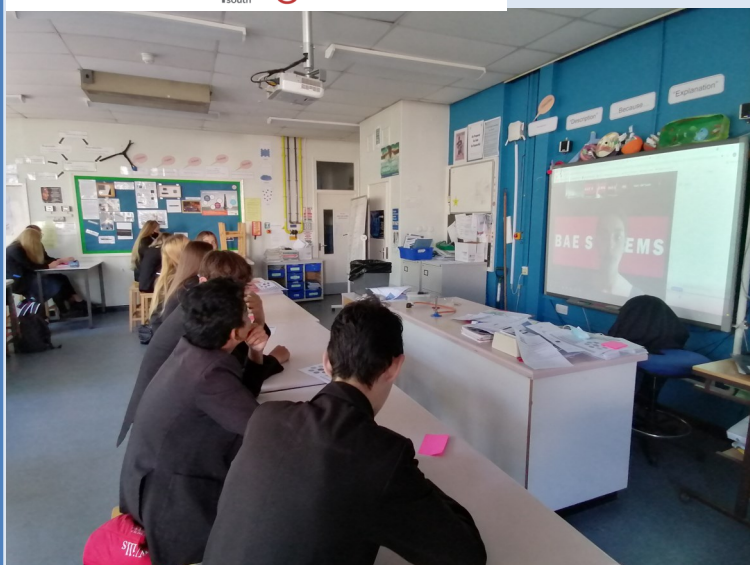

## Year 10 Mock Interview Morning

On Tuesday 8th June, every Year 10 student had the opportunity to attend a virtual 'mock interview' with a local employer. The students responded very positively to the experience despite there being many nerves and much apprehension. The employers were generally impressed with the interviewees, how they conducted themselves and how they answered the set questions. One student said 'I was very nervous before the interview but it went ok and I answered the questions. It was good!' It is hoped by completing this experience students will now have a greater understanding of the interview process and will be prepared and more confident for their next one be it for college, an apprenticeship or job! Well done Year 10 and thank you to the local employers involved! **Mrs Fletcher, Careers Leader**

## STEM Activity with BAE Systems

On Wednesday 9th June a group of Year 10 Science students had the opportunity to put themselves in the shoes of a project manager at BAE Systems. A problem had arisen regarding providing power for HMS Queen Elisabeth and students had to solve the problem. They had to make a series of informed decisions that would solve the issue and lead to the best outcome for everyone. Our students had to consider how to get the additional power needed – could this be a permanent

solution, would there be enough power and what about the environmental impact? A question and answer session followed where students were able to ask local business people about their job roles, qualifications and other issues relating to employment.

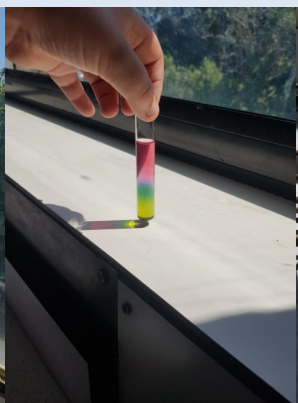

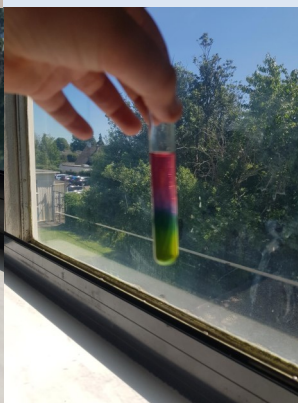

Well done to our Year 10 students and thank you to all of the businesses involved!

**Mrs Fletcher, Careers Leader**

## Year 7 Acids & Alkalis

Year 7 have been learning all about acids and alkalis in Science, this week we made our own natural indicators from red cabbage, then we tested them on different acids and alkalis to see the results, as you can see they were very colourful. I am incredibly proud of them all! Well done!

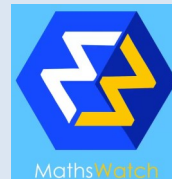

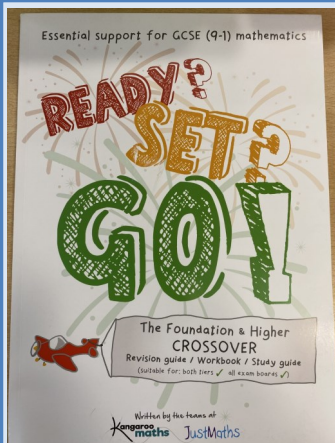

**Mrs Raistrick, Science**

## Maths End of Year Tests

All students will be completing end of years tests as mentioned in the 'Message from the Editor'. I would like to remind our Year 9 and 10 students to use their Ready? Set? Go! revision books as well as Maths Watch to revise for these tests taking place between Monday 21st June - Friday 9th July in the Gym in exam conditions. Year 7 and 8 will complete their end of year tests during July in classrooms.

## Ms Parker's Super Scientists

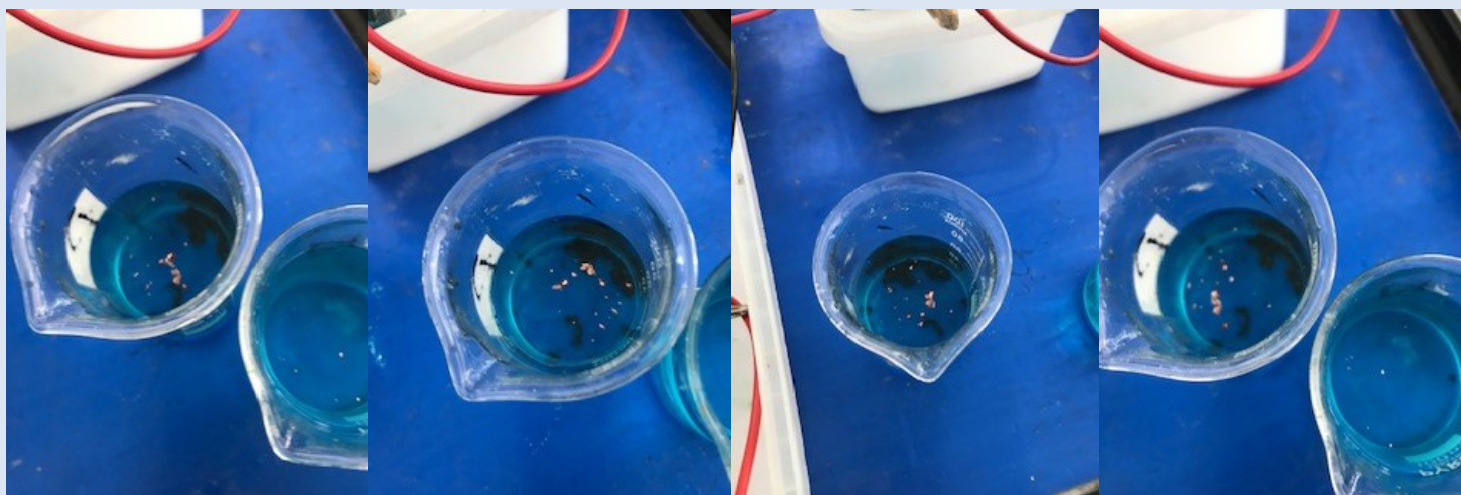

### Year 7 - Acids & Alkalis

Year 7 have been investigating acids, alkalis and neutralisation and even managed to create a rainbow. Awesome work, well done everyone! It is a pleasure to work with you all.

### Year 8 - Extracting Metals

Year 8 had a lesson this week on ways to extract metals from their ores. The students extracted copper from copper sulphate solution and were very excited when they could see the copper.

Year 8 are enjoying their practical investigations. Keep up the great work, well done!

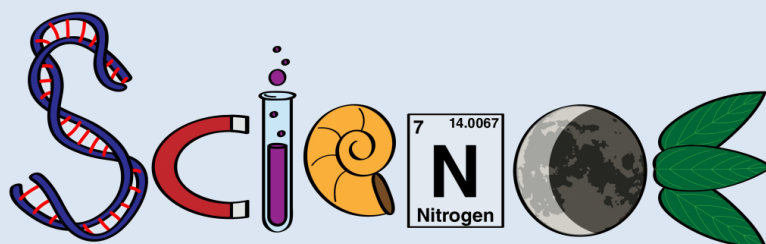

### Year 8 - Climate Change

Year 8 have also been looking at climate change including human impact. Irina U worked on this amazing poster and covered all key points. Fantastic effort Irina! Super work, well done!

A huge well done and thank you to all of my classes for your hard work and effort. I am extremely proud of you all. Keep up the fantastic work!

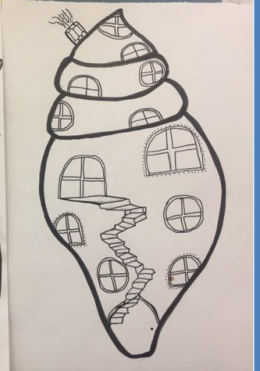

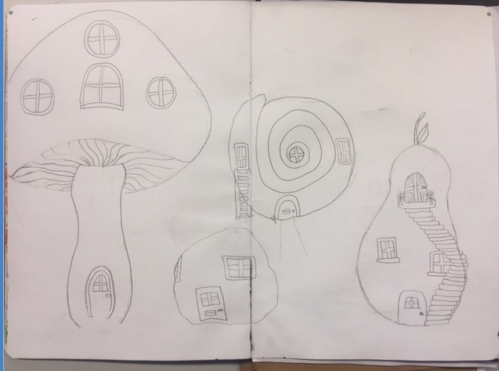

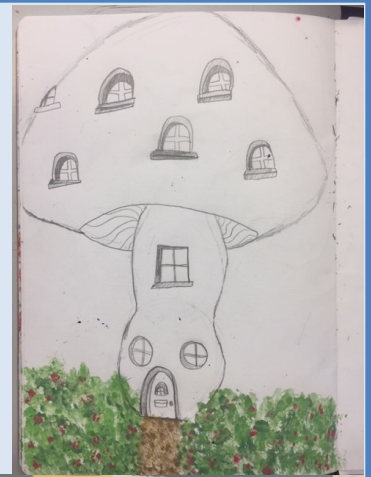

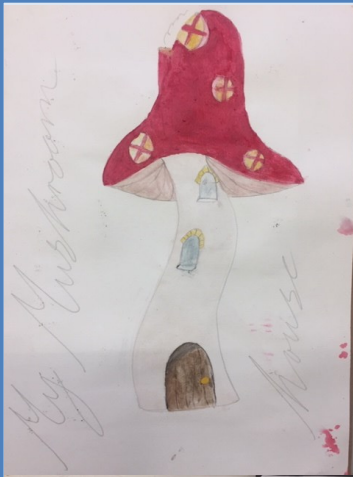

Ms Parker, Science

## Year 8 Art

Year 8 have been working really hard in Art by designing buildings inspired by natural forms showing excellent creativity! Here are some sketches by Mia Y, Jess C, Emily B and Adam C. A huge well done to you all!

Mrs Phillips, Art

## PE Kit Required

Do you have any PE kit at home that your child has outgrown or no longer needs? If so, please donate these items to the school for the PE Department allowing them to re-build their stock of spare PE kit after donating items to families struggling financially. Please bring items to Reception including PE tops, rugby shirts, hoodies, leggings, shorts and tracksuit bottoms.

Thank you in advance for your support! Mrs Griffin, PE

## Race to Tokyo House Challenge

Thank you for all of your entries this week which included your miles over Half Term! You have clearly been busy! Don't forget to keep recording and send your miles to Mr Chaplin via [g.chaplin@warblingtonschool.co.uk](mailto:g.chaplin@warblingtonschool.co.uk)! First House to 6000 miles! Walking, running, cycling... short or long distances... every mile counts... keep recording!

## Warblington Alumni

### Are you an ex-student of Warblington School?

We would like to inspire our current students to be the best they can be by showing them what students from Warblington have progressed onto so if you used to attend Warblington School or you know someone who did, please get in touch with us to share your story. Whether you attended university, completed an apprenticeship or went straight into work, we want to hear from you. Please contact [L.fletcher@warblingtonschool.co.uk](mailto:L.fletcher@warblingtonschool.co.uk) if you are happy to share your journey to success.

Mrs Fletcher, Careers Leader

## Instrumental Lessons

**We are excited to announce we have spaces available for students who wish to start having instrumental lessons in school!**

Here at Warblington we have a thriving Music department that has seen students take up instruments, complete instrumental exams and take part in community performances such as The Portsmouth Music Festival. Our instrumental teachers are Professional Musicians who work in the music industry as well as being experienced instrumental teachers. Our students are encouraged to learn and explore a variety of different music styles and forms in their lessons.

If you are interested in the opportunity to take up learning how to play an instrument then please complete the letter available on Weduc! **Miss Blundell, Music**

## Sponsorship Packages @ Warblington School

A fantastic opportunity has arisen for local businesses and families to get involved in our Community school through a new sponsorship scheme we are putting together. There are two areas of Sponsorship.

### House Sponsorship

This is a new incentive within the school to develop and grow respect and responsibility along with team building and leadership skills of our students.

Our House names, **Mitchell**, **Norris**, **Paxton** and **Stowe** are all based on prominent local World War I heroes.

### School Transition Sponsorship

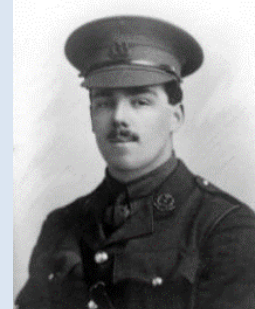

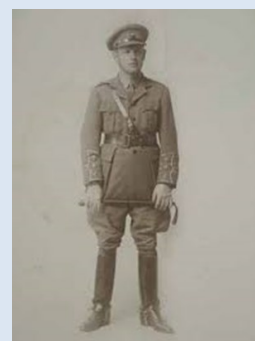

This involves sponsorship of our transition water bottles which will be handed out to prospective students in our feeder schools when we visit.

If you would like to get involved in any of these projects or have an interest in our WWI Hero's please contact

Hilary Parry [H.Parry@warblingtonschool.co.uk](mailto:H.Parry@warblingtonschool.co.uk)

for a prospectus and let's unite our community in something great.

Thank you in advance for your support!

## PE Need Your Help!

As part of our application for funding from Sport England, we are required to complete a survey with students and staff. The survey is short and includes multiple choice style questions based around Behaviours and Attitudes to Physical Activity. The research is being conducted by Sheffield Hallam University. It is imperative that we complete as many surveys as possible as our bid for funding cannot be approved without these surveys being completed. A staff survey will be shared with staff directly in school.

Please use the link below to access the survey:
