Warblington
School

Message from The Editor, Miss Barker

Our Art and Sensory garden is starting to be very productive. Last week we harvested our first fruit and vegetables grown here at Warblington which included strawberries, lettuce and rhubarb. We look forward to more items becoming ready to harvest soon! Thank you to Mrs Devine for sharing this with us. Keep up the amazing work everyone! This week Mrs Phillips and our Art students have started the murals on the Tech and Art block walls which line the Art and Sensory Garden. Mr Whitlock and his students will be adding to this soon with a graffiti style mural.

Transition Ambassadors

Amber H, Charlotte W, Levi A and Rees J have been Transition Ambassadors for Warblington School this term by supporting the delivery of assemblies to Year 5 students at our local feeder schools including Bosmere Junior School, Bidbury Junior School, St Albans Primary School, St James primary School, Emsworth Primary School and Tronsnant Junior School. They have confidently discussed their Warblington School journey and the opportunities which they have embraced during their time so far. Notably, they have also supported the Year 5 students explaining how they overcame any worries and concerns. Thank you to all four of these students for being a brilliant team and role modelling the behaviours of Warblington School!

Mrs Griffin, Year 5 Transition Coordinator

3 Peaks Challenge - Jake T Year 10

As you are aware from an earlier edition of our school newsletter, Jake T Year 10 will be completing the 3 Peaks Challenge to raise money for Motor Neurone Disease, a charity close to the families hearts.

The challenge is now right around the corner as he will be completing it from 24th-26th June. The plan is to complete a peak per day starting with Ben Nevis in Scotland, Scarfell Pike in the Lake District and finishing with Snowdon in Wales. This is a huge undertaking but will be a fantastic experience for everyone involved and a great way to raise money for this worthy cause. The money they raise will go to help fund research into the disease and treatment of those affected, hopefully one day helping to find a cure.

If you would like to donate towards the challenge please visit their [Just Giving](#) page.

As a school we are very proud of Jake and his determination to complete this challenge and all of the training he has done in preparation. With less than a week till the challenge we wish them the best of luck and we are looking forward to find out all about it when you get back!

30 Mile Bike Ride - Cailen A Year 7

Cailen A Year 7 completed a 30 mile bike ride with his Grandad at the weekend! This is a massive achievement, well done Cailen! They definitely had the perfect weather to be riding by the coast. Thank you for sharing your weekend activity with us!

Bin It! Poster Competition

Irina U Year 8 entered the Bin It! poster competition. Unfortunately she was not a winner however the judges really wanted to give Irina's entry a special mention. 'Her approach to the task was thorough and informative and a lot of work had clearly gone into the poster which was designed beautifully. We really enjoyed judging her entry and were impressed with her copy lines. Irina should be very proud of her entry.'

Well done Irina! **Mrs Rason, Science**

Year 7 Invertebrate Survey

Year 7 spent a lesson last week completing an invertebrate survey in the school grounds. They found that the most common species was ant, followed by woodlouse and slugs. They also found some interesting grubs and moths. There are some great biologists in the making in this class! **Mrs Devine, Science**

#ThankYouDay

It's time to say thank you as Sunday 4th July is Thank You Day! This last year has been very difficult and there are lots of people who we need to say thank you to, from friends and family to professionals.

See the poster on page 14.

Who will you say thank you to this Thank You Day?

Year 8 Science

Following on from our lessons on the greenhouse effect and global warming, Year 8 have been investigating the importance and benefits of recycling. They have designed some incredible posters to get this message across to others. We have now completed our topic on Earth's resources and our students have done us proud with their ideas and commitment to tackling waste. Well done to you all! Here are some poster examples from

Sponsorship Packages @ Warblington School

A fantastic opportunity has arisen for local businesses and families to get involved in our Community school through a new sponsorship scheme we are putting together. There are two areas of Sponsorship.

House Sponsorship

This is a new incentive within the school to develop and grow respect and responsibility along with team building and leadership skills of our students.

Our House names, **Mitchell**, **Norris**, **Paxton** and **Stowe** are all based on prominent local World War I heroes.

School Transition Sponsorship

This involves sponsorship of our transition water bottles which will be handed out to prospective students in our feeder schools when we visit.

If you would like to get involved in any of these projects or have an interest in our WWI Hero's please contact

Hilary Parry H.Parry@warblingtonschool.co.uk

for a prospectus and let's unite our community in something great.

Thank you in advance for your support!

PE Need Your Help!

As part of our application for funding from Sport England, we are required to complete a survey with students and staff. The survey is short and includes multiple choice style questions based around Behaviours and Attitudes to Physical Activity. The research is being conducted by Sheffield Hallam University. It is imperative that we complete as many surveys as possible as our bid for funding cannot be approved without these surveys being completed. A staff survey will be shared with staff directly in school.

Please use the link below to access the survey:

Havant Borough Council Great Big Green Week

A week to celebrate what people around the Borough have been doing to protect nature, tackle waste and take action.

What do you want to celebrate?

Havant Borough Council need a poster to advertise their Great Big Green Week and need your help so they have created a competition! Great Big Green week is a national festival to celebrate what people are doing to protect nature, tackle waste and take action on climate change in the lead up to COP26 in November in Glasgow. If you would like to design a poster for the competition it must:

- Advertise the week
- Say Havant Borough Council Great Big Green Week 18th -26th September

Please hand completed posters to Mrs Rason in Science by Monday 12th July. A student can submit as many entries as they like. Joint efforts up to three people are allowed too. Every entry will be given House points. Entries will be judged by our Art and Science Departments and the best will be put forward to the Council. Get sketching. Get painting. Get collaging. Good luck!

My School Fund

Join the My School Fund initiative to help boost our budget!

We're pleased to announce that Warblington School is part the My School Fund initiative. This innovative scheme allows us to boost our school's budget with your help.

How does it work?

Parents, guardians and carers can sign up to the scheme for free and start earning cashback on the things they buy in participating retail stores, including Sainsbury's and Argos. As you spend you'll receive 2% cashback in the form of eGift vouchers that can be redeemed in participating stores. By adding a credit/debit card and linking your spend to our school on the My School Fund website we'll also earn 1% cashback on your spend.

Add that all up across our school's network of families and together we can all make a big difference!

How to get involved

Visit myschoolfund.org to register for free, link to Warblington School and add your credit/debit card. From there, everything you spend in participating stores will go towards helping boost our budget, plus your own! Sign up today at myschoolfund.org

Adding a credit/debit card

Once you have registered you will be asked to link a card to your My School Fund account. This information is protected using bank level encryption. The site does not ask you to provide any card information that will allow anyone to make a payment on your card - i.e. it does not ask for the card security code (CVC or CVV). More information about data protection and security is available in the FAQs section of the My School Fund website when you are logged in to your account.

Thank you!

Sainsbury's

How does it work?

My School Fund links your spend to your chosen school, meaning every time you make a purchase at participating retailers you both benefit through an innovative cashback scheme.

What's in it for me and my child's school?

Both you and your child's school will receive eGift Cards to spend in participating retailers based on a percentage of your overall spend.

Add that all up across the school's network of families and together we can all make a big difference!

Visit myschoolfund.org and register for free today!

Getting started

Step 1

THANK YOU DAY

The last twelve months have been difficult for everyone, and we couldn't have got through it without each other. From family members to key workers, good neighbours to volunteers, delivery drivers to teachers – we've all got

somebody to say thank you to. Sunday 4th July is the perfect moment for the country's biggest ever thank you party. A chance to get together in the sunshine (we hope), with our neighbours, communities and families, to mark what has happened, celebrate the spirit that got us through and say thank you.

WHO'S SUPPORTING?

Starting from just [13 individuals](#) proposing a Thank You Day, the idea is now supported by hundreds of organisations across the country, ranging from the Scouts and Royal Voluntary Service, NHS, The Mirror and ITV, the Football Association and the Local Government Association.

It's got the backing of **Dame Judi Dench**, **Tim Peake** and **Ellie Simmonds**, religious leaders, local councils and schools, businesses and communities throughout the UK. The aim is for as many people as possible to be involved, however they would like, so everyone who deserves it gets a thank you - and the whole of the UK gets together.

LET'S SAY THANK YOU
TOGETHER #THANKYOU'DAY
