Message from The Editor, Miss Barker

A huge well done to our Year 10 students who started their PPEs this week and also to our Year 9 students who started their end of year assessments.

Good luck to our Duke of Edinburgh Bronze Award students who will be completing their assessed expedition this weekend!

Last night we said our formal goodbye to our Class of 2021 at their Leavers BBQ. The evening was a special event allowing students and staff to say their goodbyes and reminisce over their five year journey. Good luck for the future!

Year 9 Hospitality and Catering

Year 9 have been looking at Japanese food in their Hospitality and Catering lessons and learnt how to make Japanese dumplings called Gyoza. Gyoza can be filled with various meats or vegetables and are wrapped in a thin dough which are then boiled, steamed, pan fried or deep fried. A very versatile dish suitable as a main or side. Students also learnt how to use chopsticks and tasted Mochi sweets. Here is Arthur K showing off his chopstick skills and taste testing his Gyoza. Well done Arthur and everyone in my Year 9 class!

Mrs Wilkins, Hospitality and Catering

Year 10 Computer Science

Our Year 10 Computer Science students have been working extremely hard revising for their PPEs. Here they are completing an Escape Room style activity which involved them retrieving lots of knowledge from the whole curriculum. Well done Year 10 and keep up the hard work! **Mr Godfrey, IT & Computing**

From Monday 28th June the ties will go on sale for pre-order via WEDUC for online payments only at the discounted price of £2 for our current Year 7-10 students.

The discounted price will only last until the end of term when the price will increase to £5 per tie. Students will only be limited to one tie at the discounted price.

Once the ties arrive from the supplier they will be distributed on the last week of term ready for students to wear in September.

Thank you.

Iceland also donated items for our Transition BBQ which unfortunately had to be cancelled however the items were used for our Year 11 Leavers BBQ that took place this week.

A huge thank you to Kathy Heidstrom from Waitrose and Lee from Iceland for your kind generosity and offering to donate items to the school!

Here is a photo of Mrs Wrixon and Mrs Chaffey collecting the items on behalf of the school.

Sponsorship Packages @ Warblington School

A fantastic opportunity has arisen for local businesses and families to get involved in our Community school through a new sponsorship scheme we are putting together. There are two areas of Sponsorship.

House Sponsorship

This is a new incentive within the school to develop and grow respect and responsibility along with team building and leadership skills of our students.

Our House names, **Mitchell**, **Norris**, **Paxton** and **Stowe** are all based on prominent local World War I heroes.

School Transition Sponsorship

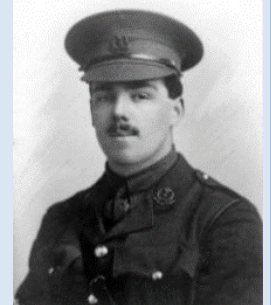

This involves sponsorship of our transition water bottles which will be handed out to prospective students in our feeder schools when we visit.

If you would like to get involved in any of these projects or have an interest in our WWI Hero's please contact

Hilary Parry H.Parry@warblingtonschool.co.uk

My School Fund

Join the My School Fund initiative to help boost our budget!

We're pleased to announce that Warblington School is part the My School Fund initiative. This innovative scheme allows us to boost our school's budget with your help.

How does it work?

Parents, guardians and carers can sign up to the scheme for free and start earning cashback on the things they buy in participating retail stores, including Sainsbury's and Argos. As you spend you'll receive 2% cashback in the form of eGift vouchers that can be redeemed in participating stores. By adding a credit/debit card and linking your spend to our school on the My School Fund website we'll also earn 1% cashback on your spend.

Add that all up across our school's network of families and together we can all make a big difference!

How to get involved

Visit myschoolfund.org to register for free, link to Warblington School and add your credit/debit card. From there, everything you spend in participating stores will go towards helping boost our budget, plus your own! Sign up today at myschoolfund.org

Adding a credit/debit card

Once you have registered you will be asked to link a card to your My School Fund account. This information is protected using bank level encryption. The site does not ask you to provide any card information that will allow anyone to make a payment on your card - i.e. it does not ask for the card security code (CVC or CVV). More information about data protection and security is available in the FAQs section of the My School Fund website when you are logged in to your account.

Thank you!

Sainsbury's

How does it work?

Both you and your child's school will receive eGift Cards to spend in participating retailers based on a percentage of your overall spend.

Add that all up across the school's network of families and together we can all make a big difference!
