Issue 270: Friday 8th October 2021

Message from The Editor, Miss Barker

Thank you to all the prospective students that visited the school this week for our Open Day Tours following our Open Evening and Year 6 Taster Afternoon last week. It has been brilliant to meet the students and share with them the fantastic work that takes place here at Warblington!

Next week we are offering all students aged 12 years and over on Thursday 14th October the COVID 19 vaccination on this date. If you would like your child to have the vaccination administered by the School Age Immunisation Team, please complete the consent form your child brought home and return it to school as soon as possible, at least 24-48 hours before the vaccination date. Please contact Reception if you require a new consent form.

PE Department Clubs & Fixtures

It was amazing to finally attend a competitive fixture again against another school for the first time in over 18 months due to COVID! Our Year 9 Netball team participated in their first three league games against Oaklands, Cowplain and Crookhorn and they did superb! The girls showed excellent knowledge of the rules and rotated positions to develop their understanding further.

Also, our extra-curricular clubs have started once again and it was amazing to see so many students attending football on Tuesday afternoon this week. Over 60 boys and girls participated in the football session, run by Havant and Waterlooville Football Club and we look forward to their fixtures starting soon!

Year 9 Netball Team: Savanah J, Megan H, Roma J, Anisa M, Nellie Collins, Nicole S, Georgia W, Lily D and Lottie H.

Securing Your Bike at School

Does your child ride a bike to school?

Warblington School provides a locked area for students to keep their bikes in during the day, the bike shed is locked during school hours. All bikes in this area should also be locked to the cycle stands using a heavy duty secure lock, for example a D shaped lock for extra security.

Before and after school the bike shed is unlocked so the extra lock is essential. If your child arrives to school late, they should inform Reception and our Site Team will open up the bike shed for them to secure their bike. If your child needs to leave early, for example for an appointment, Reception will do the same to have the bike shed opened.

Thank you for your support!
