Half Term Holiday

Year 8 Community Project

Our Year 8 tutor groups are running break and lunchtime activities all week from Monday 18th October to Friday 22nd October to raise money for children's charities Alice's Arc and Sophie's Journey. These 2 charities support children with cancer; from treatment to wellbeing rest bites with their families. Here are the activities you can take part in throughout the week:

Monday 18th October: 8A Splat The Teacher!

£1.00 for 3 sponges for use on one teacher. Which teacher will you choose?

Tuesday 19th October: 8B Tuck Shop

Visit the Tuck Shop at break and lunchtime to buy a sweet treat.

Wednesday 20th October: 8C Biscuit Challenge

Outside IT1 at break and lunchtime. 50p per biscuit.

Thursday 21st October: 8D Bake Sale

Outside the Hall at break and lunchtime. 50p per cake or two small cakes for 50p.

Friday 22nd October: Wear Something Colourful & 8E Sports Activities

Swap one item of your uniform for something colourful for 50p.

Sports Activities - Astro Turf - Break and Lunchtime

Penalty Shootout - 50p per 1:1 shootout game.

Sprint Challenge - 20p per 25m race. Who will be the fastest?

Longest Kick/Throw In - 20p per attempt.

Press Up Challenge - How many press ups in a minute? 20p per attempt.

Please come and join in with our break and lunch time activities and help us raise as much money as possible!

Miss Blundell, Head of Year 8

Year 11 Art Trip

Recently our Year 11 Art students went on a trip to Chichester to visit the Pallant House Art Gallery. They saw a range of paintings and sculptures by artists such as Peter Blake and Barbara Hepworth. We also looked around Chichester Cathedral and saw some amazing stained glass windows, one designed by artist Marc Chagall, and a part of a Roman mosaic.

Everyone really enjoyed the day immersed in Art.
Mrs Phillips, Art

Digital Leaders

Thank you to everyone who attended our first digital leaders meeting this week. We discussed our school IT infrastructure and looked at some of the gadgets we have in the department.

Computing Shout Out!

The Computing Department would like to give a massive shout out to following students:

Olivia F Year 11 - Ioana N Year 10 - Keane H Year 9
Dillon B Year 8 - Liam G Year 7

Well done and keep up the hard work!

Mr Chate, Computing

PCR Testing

As you are aware after our recent emails, our school has been invited to participate in a dual Covid-19 testing exercise. All students with parental consent to complete lateral flow tests will have brought home a PCR test this week. Please read all the information carefully attached with the test and sent home carefully. Students will be completing one PCR test with their next lateral flow test if they haven't already done so and will then continue to complete lateral flow tests twice weekly at home. Thank you for your continued support to keep our community safe.

Any questions or queries please email covid@warblingtonschool.co.uk

Maths Anxiety Help for Parents & Students from Eedi

Webinar - Helping You Maths-Anxious Child - Wednesday 3rd November 2021 7:30pm

In this session, Rachel Kidson (Maths Author & Educational Psychology Lead at Eedi) gives practical advice on ways you can help your child with their maths, whether they are struggling with maths anxiety or stuck on their homework.

And you'll learn tips for keeping your own maths anxieties at bay too!

We all experience maths anxiety in certain situations, but if your child experiences it on a regular basis, it can result in lower performance, and more importantly be detrimental to their self-esteem.

Let's help them build confidence! [Click here](#) to book!

Online Course for Parents - Helping with Homework: For Maths-Anxious Parents

In addition to the live webinar, we also have a short online course called 'Helping with Homework: For Maths-Anxious Parents' that is ready to access now. It guides parents through a few of the ways they can help their child without having to know too much about the maths. Why not check it out for yourself and see if you think your students' parents would benefit from it?
