Issue 275: Friday 19th November 2021

Message from The Editor, Miss Barker

This week we had a photographer in school taking promotional photos for the school. Our photographer Molly is currently a student at

Havant and Southdowns College working on a course to help her set up her own photography business after completing her photography course. We would like to say a huge thank you to Molly for her amazing work during the day and we are looking forward to seeing the photos.

Molly was kind enough to speak to some of our Year 11 photography students who are also looking to pursue photography careers. She was able to provide helpful insights, contacts with the college for more information and what their next steps should be. It was brilliant for them to receive advice from someone who is currently on the path they will soon be taking.

Also a huge thank you to our staff and students for embracing the photographer for the day. My Year 7 reading group were absolute stars as they had a chat with the Headteacher about their first term at Warblington and some photographs taken.

Key Dates for the Autumn Term: Week A

Wednesday 24th
November

Year 10 Parents Work
Experience Evening
6:00pm-7:00pm

Fish Heroes

On Thursday our Year 10 and 11 students had the fantastic opportunity to cook mussels! The mussels were kindly donated to the school by MJ Seafood as a part of the Fish Heroes scheme from the Food Teachers Centre. Our students thoroughly enjoyed this opportunity to cook and try mussels for the first time. Well done everyone and we look forward to more donations!

Fruit Crumble

Our Year 7 students have been busy in the kitchen this week and have been producing fruit crumbles in their Food lessons. Our students took the classic apple crumble and added their own twist by using a variety of different fruits. Well done everyone!

Fruit crumbles below made by Mitchell B, Lily K, William W and Freddie B.

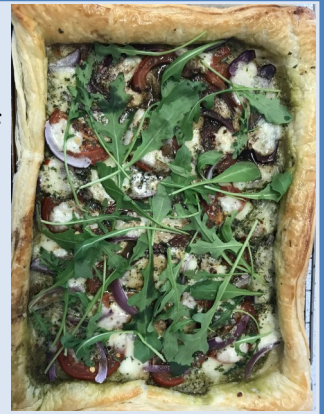

Ms Wilkins, Food Technology

Puff Pastry

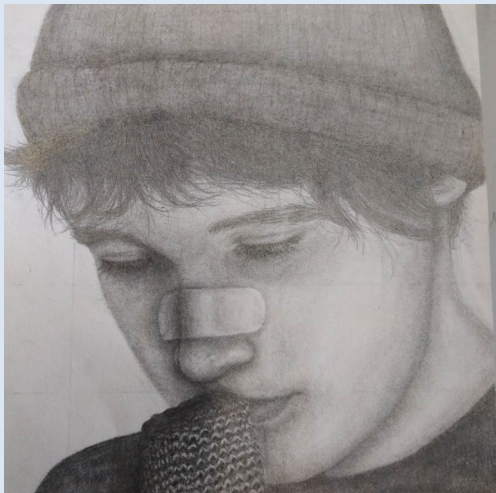

Our Year 9 students have been getting creative with puff pastry. Take a look at these examples from Lexie H and Anisa M. Brilliant work! Well done!

Ms Wilkins, Food Technology

Year 11 Art

A high quality portrait drawing by Breeze T completed in class this week as part of her GCSE sketchbook work. **Mr Whitlock, Art**

Year 7 Art Homework

'I love it when high quality homework is handed in.' Well done Ella M! **Mr Whitlock, Art**

eSports Tournament

Mario Kart

1st Place: George J Year 7

2nd Place: Leah S Year 8 & Maddy B Year 9

3rd Place: Erin D Year 8

Super Smash Brothers

1st Place: Harry S Year 10

2nd Place: Elizabeth C Year 11

3rd Place: Jake T Year 11

Honourable Mention to Molly B who shared equipment with members of the club.

Next week, students entering Mario Kart 8 will compete in the Flower Cup!

Thank you so much! **Mr Chate, Computing**

Computing Shout Out!

The Computing Department would like to give a massive shout out to following students:

Year 7: Corey J **Year 8:** Leyla S **Year 9:** Katy P

Year 10: Ben C **Year 11:** Ronnie P

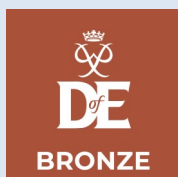

Well done for all your hard work this week in Computing!

Mr Chate, Computing

Duke of Edinburgh Bronze Award

Year 11 student Ben B has been awarded with his Bronze DofE Award! Congratulations and well done for all your hard work!

Mr Crowe, DofE Manager

Hello my name is

eSports Club Team Name Wanted!

The Warblington School eSports Club are looking for a team name and we need your suggestions! The suggestions will be shortlisted and then put to a vote.

[Click here](#) to submit your suggestion!

Year 7 History House Competition

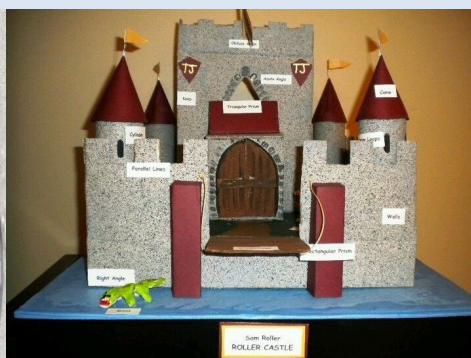

Challenge: Research Medieval Castles, information can be found on ClassCharts to help and create your own version of a Medieval Castle.

It can be made of anything... cardboard, paper, cake... You could even make one on Minecraft!

Entries to your History teacher by **Monday 13th December**.

Get creative! See previous student creations below for inspiration!

We look forward to seeing your entries! **Miss Pritchard, History**

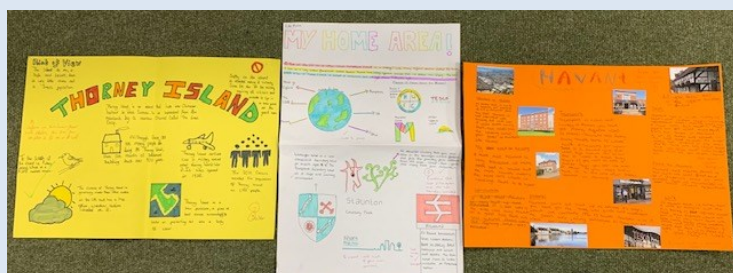

Year 7 History Geography

Home Area Poster Competition

Well done to all of our Year 7 students who submitted their Home Area posters for the poster competition. The Geography Department were impressed with the high quality posters produced which included links to location, local examples and their own personal opinions on their area.

Congratulations to Amelie G, Ella M and Kyra H who produced the top three posters in the year group! Amazing work!

The Geography Department

Mussels Recipe

Moules marinière with cream, garlic and parsley

Ingredients

- 200g mussels (teacher to divide)
- 1 garlic clove, finely chopped
- 1 shallot, finely chopped
- 5g butter
- 50 ml white wine
- 60 ml double cream
- handful of parsley leaves, coarsely chopped
- crusty bread, to serve
- Also serve with pasta (optional)

Method

1. Wash the mussels under plenty of cold, running water. Discard any open ones that won't close when lightly squeezed.
2. Pull out the tough, fibrous beards protruding from between the tightly closed shells and then knock off any barnacles with a large knife. Give the mussels another quick rinse to remove any little pieces of shell (as you have watched on the videos by Rick Stein and Jamie Oliver).
3. Peel and chop/dice the garlic and shallot. Soften the garlic and shallot in oil in a pan on a low heat.
4. Add the mussels and wine to the pan, turn up the heat, then cover and steam them open in their own juices for 3-4 minutes. Give the pan a good shake every now and then.
5. Add the cream and chopped parsley and remove from the heat.
6. Spoon into bowl and serve with lots of crusty bread.

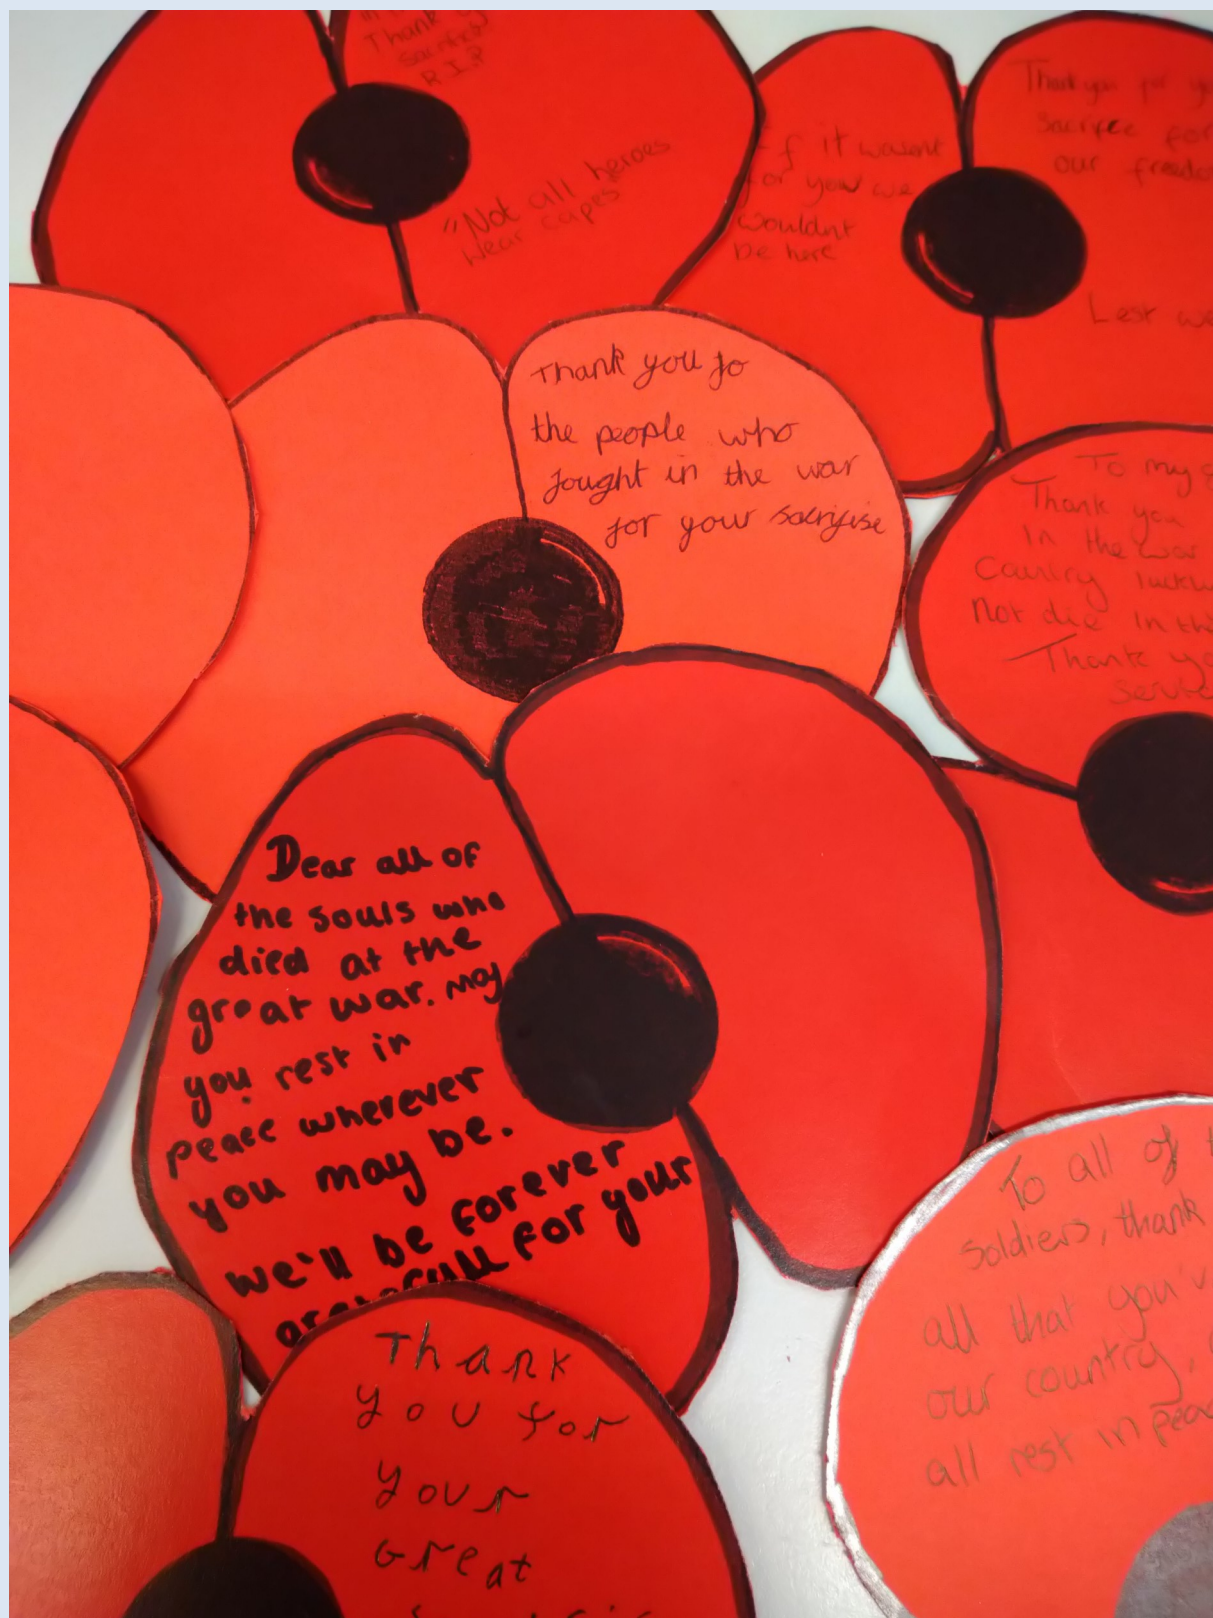

Our students served their mussels with freshly made bread!

Remembrance Day 2021

At the beginning of Art lessons last week students wrote messages of remembrance. The messages have been thoughtful and touching. They are now on display in the Art Department.

Mr Whitlock, Art

Class of 2022 Prom - We Need Your Help!

We are planning for the Class of 2022 Prom (June 2022) and really want our Year 11 students go out with a fantastic night after a difficult two years! We really hope that everyone can attend and are trying to keep the ticket cost down to the minimum. More information and tickets will be available soon.

We are working on a very tight budget so we are hoping that the school community may be able to help us with a few items. We will be fundraising to cover costs and would hugely appreciate any support with this over the course of the year. We are looking for donations of:

- 10 vases and fake flowers for table decorations
- Ribbon
- White fairy lights (Small for tables and large sets for the beams in the hotel)
- Scoops and bags for sweets
- Balloons (helium and non)
- Helium canister
- A table plan holder
- Sprinkles and sparkles for the tables
- Light up numbers 2022 or PROM
- Any contacts that could help with a photo wall or booth

All help and information will be gratefully appreciated! Any resources that are donated can be stored at school and used for all future year groups - so we can all benefit! Please bring donations to Reception and email me with any helpful information.

Thank you! **Ms Wilkins** c.wilkins@warblingtonschool.co.uk

Is This Your Bike?

The bike below is kindly being looked after by our Site Team however the student owner never returned to collect their bike and now quite a few months have passed. If this is your bike or you know whose bike it is, please contact the school as soon as possible. If it is not claimed by the start of December, a new home will be found for it. Thank you!

Site Team

Year 10 Work Experience 16th-27th May 2022

We believe in preparing our students for life beyond school by providing them with regular high quality opportunities for information, advice and guidance on all aspects of careers education. A vital part of this is the preparation for the world of work. Our Year 10 students will take part in a two-week planned work placement with local employers. We view this as an invaluable extension to school-based learning and teaching and an important means of extending school links with industry and the world of work. During this experience, students will have the opportunity to develop themselves as confident, self-assured learners and use the experience to help them make informed choices about their next stage of education, employment or training.

There is a Work Experience information evening for parents/carers on Wednesday 24th November 2021 starting at 6:00pm where there will be a presentation about the programme and you will be able to ask questions. We encourage all to attend. Please complete the form on Weduc to confirm your attendance and for more information. **Mrs Fletcher, Careers Leader**
