Message from The Editor, Miss Barker

It's beginning to look a lot like Christmas! The decorations are starting to go up around the school. Mrs Crockford is always first off the mark with her fantastic decorations in the Gateway Room adding a bit of festive sparkle and charm to her lessons. It's a special time of year reminding us all to be grateful and filling our corridors with cheer. As a school we are looking forward to Christmas Dinner and Jumper Day allowing us to all come together and celebrate.

Key Dates for the Autumn Term: Week A

Monday 6th December	Inset Day - School Closed to Students
Wednesday 15th December	Christmas Jumper Day Christmas Dinner Day
Friday 17th December	Last Day of Term (Finishing Time TBC)

Year 8 Art

Year 8 have been exploring natural forms in Art by looking at the shape and colour of Autumn leaves. Here are some examples by Dylan G, Taylor H and Chloe B which are all brilliantly done! Very creative and colourful. Well done! **Mrs Phillips , Art**

This week is National Tree Week. Did you know trees can absorb over 400 tonnes of carbon per hectare, making them vital in tackling climate change? The trees we planted here at school as a part of the #BigClimateFightback are thriving.

Eco Committee Tree Planting

A group of our Year 7 and 8 students from the Eco Committee planted five fruit trees in our orchard after school on Wednesday. They planted pear and apple trees which were donated to the school from Orchard for schools. We qualified for this donation for brilliant work we did planting trees last year.

A huge thank you to Orchard for Schools for the fruit trees and to Martin Hampton, local Eco Gardener who gave up his time to help us plant the trees and offer advice.

Everyone had a fun afternoon working in the orchard showing their great team work skills especially as the planting coincided with National Tree Week! Well done and we are looking forward to apples and pears to enjoy in a few years time, helping to save our futures.

Mrs Rason, Science

Year 9 Computing

Year 9 are creating presentations for their assessment to answer the question 'What's in my computer and how is data stored?'. Students are using OneDrive and PowerPoint to work collaboratively in small teams to prepare their presentations. Awesome work Year 9! **Mr Chate**

Christmas in Gateway!

Snowflakes kindly made by Mrs Crockford's mentoring group.

Year 7 Football

Our Year 7 teams have had a very successful week this week against Crookhorn! The blue team managed a 3-0 victory and the red team managed a 0-0 draw with nothing to separate the two teams. Outstanding effort this term! **Mr Chaplin, PE**

eSports

Mario Kart 8 Shell Cup Tournament

1st Place: Harry S Year 10

2nd Place: Deniz A Year 7

3rd Place: George J Year 7

Well done and thank you to everyone who took part!

eSports Current League Leaders

1st Place: George J Year 7

2nd Place: Leah S Year 8

3rd Place: Erin D Year 8

Mr Chate, Computing

eSports Club Team Name Wanted!

Hello my name is

The Warblington School eSports Club are looking for a team name and we need your suggestions! The suggestions will be shortlisted and then put to a vote.

Year 11 Science

Our Year 11 scientists have been working hard on their Inheritance topic. They randomly selected genes to make these fun creatures which illustrate the variation that comes from inheriting genes from two parents.

Brilliant work!

Mrs Devine, Science

Rainbow

Science Fact: Rainbows are formed when light shines through water. The light is bent and reflected, often leading to the formation of the colours of the rainbow.

Thank you to Mr Chate for taking this photo of the rainbow that could be seen on Wednesday!

Lost Property

We have a large selection of lost property which includes a variety of school uniform and PE kit (not pictured below). If your child has lost something this term, please ask them to visit Reception to see if we have their items. All named items are returned to their owners so please make sure you name your child's uniform and personal items. Items not collected by the end of term will be donated to charity.

EFL Football Competition

The following Year 7 and 8 students represented the school in the EFL competition this week.

Amelie G, Jess S, Abi C, Charlie W, Ava W, Aimee F and Elizabeth S.

They beat Oaklands 3-1, drew with Cowplain 1-1 and unfortunately lost to Henry Court A and Bohunt A.

Well done! **Mrs Griffin, PE**

Class of 2022 Prom - We Need Your Help!

We are planning for the Class of 2022 Prom (June 2022) and really want our Year 11 students to go out with a fantastic night after a difficult two years! We really hope that everyone can attend and are trying to keep the ticket cost down to the minimum. More information and tickets will be available soon.

We are working on a very tight budget so we are hoping that the school community may be able to help us with a few items. We will be fundraising to cover costs and would hugely appreciate any support with this over the course of the year. We are looking for donations of:

- 10 vases and fake flowers for table decorations
- Ribbon
- White fairy lights (Small for tables and large sets for the beams in the hotel)
- Scoops and bags for sweets
- Balloons (helium and non)
- Helium canister
- A table plan holder
- Sprinkles and sparkles for the tables
- Light up numbers 2022 or PROM
- Any contacts that could help with a photo wall or booth

All help and information will be gratefully appreciated! Any resources that are donated can be stored at school and used for all future year groups - so we can all benefit! Please bring donations to Reception and email me with any helpful information.

Thank you! **Ms Wilkins** c.wilkins@warblingtonschool.co.uk

Thank you

A huge thank you to Miss Hallitt Year 11 Parent for her kind donation of light up letters and numbers for the Class of 2022 Prom!

Ms Wilkins

PE Swap Shop

The PE Swap Shop is going from strength to strength to help support our students! We are always looking for donations of clean PE uniform that students have outgrown and trainers of all sizes.

URGENTLY NEEDED - Shorts, especially in larger sizes

The Swap Shop allows students to borrow items if they forget anything or swap an item they have outgrown for the next size up if we have it in stock. An initiative to save you money and aid the environment by recycling. Please bring items to Reception for the attention of the PE Department. Adults can get involved too... having a clear out of your trainers, bring them to Warblington for the Swap Shop!

When is the PE Swap Shop Open?

The PE Swap Shop is open on Fridays and after school. Students are able to come to the PE Department to swap items they have outgrown and in good condition for another size (subject to availability).

This will help in our mission to become an Eco School and also to prevent students and families spending money on new PE uniform. Thank you! **PE Department**

Computing Shout Out!

The Computing Department would like to give a massive shout out to following students:

Year 7: Seren W **Year 8:** Logan-Jay J **Year 9:** Albie K
Year 10: Taylor D **Year 11:** Ellie W

Well done for all your hard work this week in Computing!

Mr Chate, Computing

Year 7 History House Competition

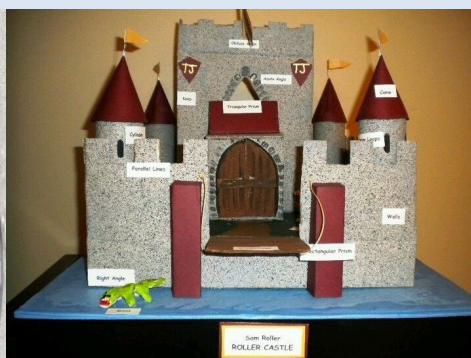

Challenge: Research Medieval Castles, information can be found on ClassCharts to help and create your own version of a Medieval Castle.

It can be made of anything... cardboard, paper, cake... You could even make one on Minecraft!

Entries to your History teacher by **Monday 13th December**.

Get creative! See previous student creations below for inspiration!

We look forward to seeing your entries! **Miss Pritchard, History**

Sponsor an Atlas this Christmas!

This could be the best Christmas present ever! Our Geography Department are in need of a new set of atlases to use with students from Year 7 to Year 11. We are offering you the opportunity to voluntarily sponsor an atlas for students to use in class.

It's the gift that just keeps giving to all the students at Warblington School!

To Sponsor: Log into Weduc and make the purchase under the payments section as you normally would for school trips and we will purchase an atlas on your behalf and present it to the Geography Department.

Each atlas will be inscribed with your name and a short message describing your favourite place in the world. The school will contact you for this information after your purchase.

Sponsor an Atlas for £12.00

Numbers are limited so don't miss out!

Thank you in advance for your kind donation!

The Geography Department

Christmas Dinner 2021

Booking has now closed for our Christmas dinner. Here is a reminder for our students and staff about the day. Students eligible for Free School Meals will be provided with a Christmas dinner.

On Wednesday 15th December, which is also Christmas Jumper Day, Christmas dinner will be the only meal available on this day so if your child isn't having the Christmas dinner, they will need to bring a packed lunch and drink to school. The meal will come with a bottle of water and a mince pie. Please be aware that the kitchen will be closed at break time in preparation and there will be nothing else available to purchase on this day.

The lunch period will be split into year groups on this day so all of our students can enjoy their Christmas dinner in the hall with staff with plenty of time and space to comfortably eat.

Help for those living with Multiple Sclerosis

We have several Pandora Bracelets in our lost property which have been handed in over the past 3-4 years and never collected. If your child past or present or family member when they attended Warblington has lost a Pandora Bracelet, please contact the school with a description of the bracelet and charms and we will endeavour to reunite you with your lost property.

We also have various items of jewellery and watches. Please contact the school with a description if you have lost any items.
