On Monday this week our Eco Club members did some weeding to aid our growing trees. They thoroughly enjoyed themselves and turned the activity into a competition to see who could remove the largest weed.

It was close but Dylan G was the winner!

Thank you for all your hard work! **Mrs Rason, Eco Committee**

Big Garden Birdwatch

28-30 January 2022

What will you see?

The Big Garden Bird Watch 2022

Be wowed by your local wildlife. Big Garden Birdwatch is for everyone, whether you're a complete beginner or a birding expert. Simply count the birds you see in your garden, from your balcony or in your local park for one hour between 28th and 30th January 2022.

In 2021, more than one million people took part in Big Garden Birdwatch, all coming together to look out for birds. Why not join in and be one in a million for 2022?

Shockingly, we've lost 38 million birds from UK skies in the last 50 years, so it really is vital we do all we can to look after our birdlife.

Taking part is as easy as 1,2,3

1. Watch the birds around you for one hour
2. Count how many of each species of bird lands on your patch
3. Go online and tell us what you saw

[Click here](#) to find out more and how to enter your count. Enjoy your birdwatch!
